Frequently asked questions about Purple Martins

to nest in an aluminum house, it is highly unusual The only time this will happen is when the starling has no other suitable place to nest, like the attic of your home; out of despera-tion, it will accept the aluminum house Coates, being a leader in the industry introduced the SREH door in early 2001 to help eliminate the starling problem

Teaching Against Idiocy

Leaving aside individuals, families can be idiotic, too The paradigm case is the Mafia — a family that looks in-ward intensely and solely A thick moral code glues the in-siders together, but in dealing with outsiders who are be-yond the galaxy of one's obligations and duties, anything goes There is no organized cooperation across families to

Leaving Mum Alone? The Effect of Parental Divorce on ...

Looking for determinants and causes of different timing at nest-leaving for children of disruptive families, researchers have indicated direct and indirect effects The indirect effects are those referring to selection effects of disruptive families and consequences on
