On the moon Titan the Environs are attacking the quiet village of Glastonbury. Jonathan and Tina Thatcher had gone swimming early in the day. Now Jonathan and Tina are running for their lives. Jonathan and Tina are afraid, cold and hungry. Jonathan and Tina continue to hide but they are caught. As the Environs tie up Jonathan and Tina, someone helps them. Two modern days Robin Hoods come to their aid. The two modern days Robin Hoods are apart of a group called the Guardians of the Kingdom. Who are the Guardians of the Kingdom? Who are the Environs? How did both groups get on the moon Titan? Find out what happens to Jonathan, Tina and the rest of the people of Glastonbury in the exciting sci-fi book, In The Midst of Things.

The Traveled Road Seldom Noticed by B. E. Chenault Fact is indeed stranger than fiction in this compilation of true news stories from veteran reporter B.E. Chenault. From the murderous rampage of the Texas Seven to a pair of serial killers unmasked in Cleveland, from the 1996 Olympic Bombing in Atlanta to the threat of world-ending asteroids headed straight for Earth, and a whole lot more, Chenault goes beyond the headlines, diving deeper for the real story. After reporting current events for twenty-five years, the author finally tells all, exposing the grisly details and harrowing truths no news outlet could reveal. Readers will be surprised, saddened, angered, amused, and, most of all, informed by this shocking collection of true tales.

The Atlantic Reporter

Urban Nightmares Silent Screams is a radical story told through raw poetry and the camera's lens. It is a story full of questions about America, God, and life. Questions about war. Questions about poverty and what it means to grow up in urban America The photographs and articles document one man's journey, while the drawings were commissioned from youth and family throughout his community. Urban Nightmares Silent Screams is a living example of using creative energy to discuss life's obstacles and spark movement towards a better world.

The Hand-Book to Arizona is an elaborately illustrated guide for travellers, prospectors, historians and explorers alike. Painstaking care was taken to compile a source of well-researched and often first-hand accounts in hopes of further promoting the region and an understanding of its place in America's history. Detailed maps are also included.
