This is a list of the stories in Richard Francis Burton's translation of One Thousand and One Nights. Burton's first ten volumes—which he called The Book of the Thousand Nights and a Night—were published in 1885. His Supplemental Nights were published between 1886 and 1888 as six volumes. Later pirate copies split the very large third volume into two volumes.

How many nights? If the system shows a train running overnight, make sure it isn't actually two or more nights. The journey from Bombay to Calcutta or from Delhi to Madras is about 36 hours, i.e. typically two nights. On the other hand, travelling on a fast train, Bombay to Delhi or Calcutta to Delhi takes just one night. Classes
