Biblical Authority after Babel

Jesus Christ is arguably the most famous man who ever

lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

A Critical Review and Analysis of the Evidences of His Existence

Building on the powerful story and arguments he shared in *Seeking Allah, Finding Jesus*, Nabeel Qureshi and co-author Kevin Harney take viewers deeper into apologetics and evangelism among Muslims with this complete study course. In eight lessons coordinated to be used alongside the *Seeking Allah, Finding Jesus Video Study*, Qureshi and Harney explore Muslim culture, the most common Muslim objections to Christianity, and the core doctrines upon which Islam stands or falls. Compassionate and clear, the *Seeking Allah, Finding Jesus Study Guide* will be a useful training tool for pastors, outreach leaders, and any believers wanting to winsomely engage Muslims in spiritual conversations. The *Seeking Allah, Finding Jesus Study Guide* develops in further detail the objections to Islam and case for Christianity that

The Case for the Resurrection of Jesus

What if we ask questions concerning sin and redemption outside of the religious or theological milieu? After all, "sin" functions something like religious code language for that which is problematic in human existence. But all humans deal with our fragility and our penchant for harming ourselves or others, and all humans seek to resolve these issues. Might the religious community learn from those outside our gates? Accordingly, in this book a theologian seeks to gain insight from the way seven outstanding filmmakers of our time set up the problems of human existence and seek to resolve them over a series of their films. Explore with her how Clint Eastwood, Woody Allen, Spike Lee, the Coen brothers, John Sayles, Ang Lee, and Terrence Malick define human problems and explore resolutions; mark the overlap with Christianity, but more importantly, ponder the contrasts. You'll never watch films the same way again!

questions surrounding jihad, the rise of ISIS, and Islamic terrorism. San Bernardino was the most lethal terror attack on American soil since 9/11, and it came on the heels of a coordinated assault on Paris. There is no question that innocents were slaughtered in the name of Allah and in the way of jihad, but do the terrorists' actions actually reflect the religion of Islam? The answer to this question is more pressing than ever, as waves of Muslim refugees arrive in the West seeking shelter from the violent ideology of ISIS. Setting aside speculations and competing voices, what really is jihad? How are we to understand jihad in relation to our Muslim neighbors and friends? Why is there such a surge of Islamist terrorism in the world today, and how are we to respond? In *Answering Jihad*, bestselling author Nabeel Qureshi (*Seeking Allah, Finding Jesus*) answers these questions from the perspective of a former Muslim who is deeply concerned for both his Muslim family and his American homeland.

In Defense of Jesus

Biblical Christianity is challenged today by other religions such as Hinduism, Islam, Mormonism, Buddhism, Jehovah's Witness, Scientology, to name a few, including atheists and agnostics, who claim that Jesus was simply a man, a great teacher or guru, or a prophet of God who worked his way to godhood. Are such claims supported by the evidence? Can we trust the Bible to tell us the truth about Jesus? Is Jesus Christ truly God? Can we find evidence of his deity in the Old Testament? Does the New Testament affirm

unequivocally that He is God? Are there reliable non-Christian sources that back such claims of deity? This book aims at addressing these fundamental questions while providing solid internal and external evidence of the divinity of Jesus Christ. In this age of plural spirituality, thirst for truth, and in need of an evidence-based dialogue among various religions, the book makes a compelling case for a closer scrutiny of prophecies contained in the Bible.

How the Five Solas Can Renew Biblical Interpretation

In recent years, notable scholars have argued that the Protestant Reformation unleashed interpretive anarchy on the church. Is it time to consider the Reformation to be a 500-year experiment gone wrong? World-renowned evangelical theologian Kevin Vanhoozer thinks not. While he sees recent critiques as legitimate, he argues that retrieving the Reformation's core principles offers an answer to critics of Protestant biblical interpretation. Vanhoozer explores how a proper reappropriation of the five solas--sola gratia (grace alone), sola fide (faith alone), sola scriptura (Scripture alone), solus Christus (in Christ alone), and sola Deo gloria (for the glory of God alone)--offers the tools to constrain biblical interpretation and establish interpretive authority. He offers a positive assessment of the Reformation, showing how a retrieval of "mere Protestant Christianity" has the potential to reform contemporary Christian belief and practice. This provocative response and statement from a top theologian is accessibly written for pastors and church leaders.

In *Seeking Allah, Finding Jesus*, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world ' s greatest religions. Engaging and thought-provoking, *Seeking Allah, Finding Jesus* tells a powerful story of the clash between Islam and Christianity in one man ' s heart?and of the peace he eventually found in Jesus. The Muslim Jesus

This book is an expanded version of public lectures given in Durham in 1984 in response to the London Weekend Television series broadcast that year entitled Jesus: the Evidence. The object of the series was to make a wider public aware of how New Testament scholars and historians of Christian origins have come to view the beginnings of Christianity, but even before it was screened, feelings against it in the churches ran high, and it has remained a focal point of controversy. So Professor Dunn, author of widely-used books including Christology in the Making and Unity and Diversity in the New Testament, set out both to put the record straight where he felt that the programmes had been misleading and to encourage his audience to take more seriously the critical questions that can be asked about the Gospels. His book centres on four main questions: Are the Gospels fact, fiction or what? Did Jesus claim to be the Son of God? What did the first Christians believe about the resurrection? Was earliest

Is Allah One Or Three

An international news story when published last year, now in paperback: A historical detective story leads to dramatic and ground-breaking revelations about the life and times of Jesus. Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, *The Lost Gospel* provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. *The Lost Gospel* takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Reproduction of the original: A Critical Review and Analysis of the Evidences of His Existence by John E. Remsburg

From Jesus to Christ

Jesus and Muhammad are two of the best known and revered figures in history, each with a billion or more global followers. Now, in this intriguing volume, F.E. Peters offers a clear and compelling analysis of the parallel lives of Jesus and Muhammad, the first such in-depth comparison in print. Like a detective, Peters compiles "dossiers" of what we do and do not know about the lives and portraits of these towering figures, drawing on the views of modern historians and the evidence of the Gospels and the Quran. With erudition and wit, the author nimbly leads the reader through drama and dogma to reveal surprising similarities between the two leaders and their messages. Each had a public career as a semi-successful preacher. Both encountered opposition that threatened their lives and those of their followers. Each left a body of teaching purported to be their very words, with an urgent imperative that all must become believers in the face of the approaching apocalypse. Both are symbols of hope on the one hand and of God's terrible judgment on the other. They are bringers of peace--and the sword. There is, however, a fundamental difference. Muslims

revere Muhammad ibn Abdullah of Mecca as a mortal prophet. Although known as a prophet in his day, the Galilean Jew Jesus was and is believed by his followers to have been the promised Messiah, indeed the son of God. The Quran records revelations received by Muhammad as the messenger of God, whereas the revelations of the Gospels focus on Jesus and the events of his life and death. A lasting contribution to interfaith understanding, Jesus and Muhammad offers lucid, intelligent answers to questions that underlie some of the world's most intractable conflicts.

20 Compelling Evidences That God Exists

This work presents in English translation the largest collection ever assembled of the sayings and stories of Jesus in Arabic Islamic literature. In doing so, it traces a tradition of love and reverence for Jesus that has characterized Islamic thought for more than a thousand years. An invaluable resource for the history of religions, the collection documents how one culture, that of Islam, assimilated the towering religious figure of another, that of Christianity. As such, it is a work of great significance for the understanding of both, and of profound implications for modern-day intersectorian

relations and ecumenical dialogue. Tarif Khalidi ' s introduction and commentaries place the sayings and stories in their historical context, showing how and why this “ gospel ” arose and the function it served within Muslim devotion. The Jesus that emerges here is a compelling figure of deep and life-giving spirituality. The sayings and stories, some 300 in number and arranged in chronological order, show us how the image of this Jesus evolved throughout a millennium of Islamic history.

An enlightening follow-up to the bestselling book *The Case for Christ*, *In Defense of Jesus* follows award-winning journalist Lee Strobel as he explores the most explosive arguments against the identity of Christ as the Messiah. Has modern scholarship debunked the traditional Christ? Has the church suppressed the truth about Jesus to advance its own agenda? What if the real Jesus is far different from the atoning Savior worshiped through the centuries? *In Defense of Jesus* explores such hot-button questions as: Did the church suppress ancient non-biblical documents that paint a more accurate picture of Jesus than the four Gospels? Did the church distort the truth about Jesus by tampering with early New Testament texts? Do new insights and explanations disprove the resurrection? Have fresh arguments disqualified Jesus from being the Messiah? Did Christianity steal its core ideas from earlier mythology? In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Gregory Koukl demonstrates how to get in the driver's seat, keeping any conversation moving with thoughtful, artful diplomacy. You'll learn how to maneuver comfortably and graciously through the minefields, stop challengers in their tracks, turn the tables and---most importantly---get people thinking about Jesus. Soon, your conversations will look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl shows you how to: - Initiate conversations effortlessly - Present the truth clearly, cleverly, and persuasively - Graciously

The strong public response to *The Case for Christ*--which hit #1 on the best-seller list and sold more than 600,000 copies in its first 18 months--precipitated an avalanche of requests for a version of the book for teenagers. Many parents who were radically impacted by Lee Strobel's spiritual journey from atheism to Christianity wanted a student-friendly edition to help their teenagers find Christ or deepen their faith. *The Case for Christ--Student Edition* is the response to this need: a highly readable, thoroughly engaging, and spiritually challenging version designed both for teenagers who are Christians and those seeking the truth about Jesus. This is not a watered-down version of the original book, but an entirely fresh approach to the same subject matter--with brand new material. Strobel partnered with Jane Vogel, a writer highly regarded for her ability to communicate with students, to customize the content of his book for a post-modern mindset. They've redefined courage in evangelism and moved it away from confronting someone about your faith to letting someone get close enough to you to see why you need Jesus' salvation. This creative and fast-paced book follows Strobel, an investigative reporter, on email

No God but One: Allah or Jesus? (with Bonus Content)

The Cross of Christ: Foundational Islamic Perspectives takes an in-depth look at all of the medieval Muslim scholars considered to have affirmed Jesus' crucifixion. Each chapter provides the important historical and intellectual context for the commentators. As well, critical new translations of key texts are provided, offering important access to vital documents and schools of thought. The author argues that, rather than affirming the historicity of the crucifixion, the Isma'ilis tend to assume its historicity, in order to advance important Isma'ili doctrines. The author also contends that the commentators who explored ways to affirm the crucifixion, nonetheless made extensive use of traditional substitution legends that deny the crucifixion. BONUS: This eBook includes downloadable videos and a Q&A with Nabeel Qureshi that are not found in the print edition. Having shared his journey of faith in the New York Times bestselling *Seeking Allah, Finding Jesus*, Nabeel Qureshi now examines Islam and Christianity in detail, exploring areas of crucial conflict and unpacking the relevant evidence. In this anticipated follow-up book, Nabeel reveals what he discovered in the decade following his conversion, providing a thorough and careful comparison of the evidence for Islam and Christianity--evidence that wrenched his heart and transformed his life. In *Seeking Allah, Finding Jesus*, Nabeel Qureshi recounted his dramatic journey, describing his departure from Islam and his decision to follow Christ. In the years that followed, he realized that the world's two largest religions are far more different than they initially appeared. *No God but One: Allah or Jesus?* addresses the most important questions at the interface of Islam and Christianity: How do the two religions differ? Are the differences significant? Can we be confident that either Christianity or Islam is true? And most important, is it worth sacrificing everything for the truth? Nabeel shares stories from

The Quran the Final Evidence with Scientific Facts They Dont Want You to Know

Ravi Zacharias and Vince Vitale defend the absolute claims of Christ against modern belief in the "secular gods" of atheism, scientism, relativism, and more. The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by modern culture, but its believers are openly ridiculed as irrelevant. In JESUS AMONG SECULAR GODS, Ravi Zacharias and Vince Vitale challenge the popular "isms" of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful, and important, and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge to articulate why they believe that Jesus stands tall above all other gods.

Is it Reasonable to Believe? Remarkably, even though millions upon millions of us do believe in God, when we are asked why we have such faith, we become tongue-tied and struggle to give a reason for our hope. No wonder those who don't believe God exists remain unconvinced—there's too few of us ready to speak on God's behalf! Ken Boa and Robert Bowman have provided a resource that tackles the most profound arguments from philosophy, science, sociology, psychology, and history and presents twenty clear, concise, and compelling evidences that show that faith in God—and specifically Jesus Christ—is reasonable.

The Case for Christ

Many Christians today feel overwhelmed as they try to live faithfully in a culture that seems increasingly hostile to their beliefs. Politics, marriage, sexuality, religious freedom--with an ever-growing list of contentious issues, believers find it harder than ever to hold on to their convictions while treating their friends, neighbors, coworkers, and even family members who disagree with respect and compassion. This isn't just a problem that affects individual Christians; if left unaddressed, the growing gap between the faithful and society's tolerance for public faith will have lasting consequences for the church in America. Now the bestselling authors of *unChristian* turn their data-driven insights toward the thorny question of how Christians talk with people they know and love about the most toxic issues of our day. They help today's disciples understand what they believe and why, and how to keep believing it without being judgmental and defensive. Readers will discover the most significant

trends that offer both obstacles and opportunities to God's people, and how not only to challenge culture but to create and renew it for the common good. Perhaps most importantly, David Kinnaman and Gabe Lyons invite fellow Christians to understand the heart behind opposing views and show them how to be loving, life-giving friends despite profound differences. This will be the go-to book for young adult and older believers who don't want to hide from culture but to engage and restore it.

The Improvement Era

“ A welcome expansion of the fragile territory known as common ground. ” —The New York Times When Reza Aslan ' s bestseller *Zealot* came out in 2013, there was criticism that he hadn ' t addressed his Muslim faith while writing the origin story of Christianity. In fact, Ross Douthat of The New York Times wrote that “ if Aslan had actually written in defense of the Islamic view of Jesus, that would have been something provocative and new. ” Mustafa Akyol ' s *The Islamic Jesus* is that book. *The Islamic Jesus* reveals startling new truths about Islam in the context of the first Muslims and the early origins of Christianity. Muslims and the first Christians—the Jewish followers of Jesus—saw Jesus as not divine but rather as a prophet and human Messiah and that salvation comes from faith and good works, not merely as faith, as Christians would later emphasize. What Akyol seeks to reveal are how these core beliefs of Jewish Christianity, which got lost in history as a heresy, emerged in a new religion born in 7th Arabia: Islam. Akyol exposes this

This richly illustrated, non-technical reconstruction of "folk religion" in ancient Israel is based largely on recent archaeological evidence, but also incorporates biblical texts where possible.

Evidence for Jesus, Allah, and Other Gods

Professor Wells argues that there was no historical Jesus, and in thus arguing he deals with the many recent writers who have interpreted the historical Jesus as some kind of political figure in the struggle against Rome, and calls in evidence the many contemporary theologians who agree with some of his arguments about early Christianity. The question at issue is what all the evidence adds up to. Does it establish that Jesus did or did not exist? Professor Wells concludes that the latter is the more likely hypothesis. This challenge to received thinking by both Christians and non-Christians is supported by much documentary evidence, and Professor Wells carefully examines all the relevant problems and answers all the

Jesus Among Other Gods: In his most important work to date, apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus. With a simple yet penetrating style, Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives. Jesus Among Other Gods contrasts the truth of Jesus with founders of Islam, Hinduism, and Buddhism, strengthening believers and compelling them to share their faith with our post-modern world. Deliver Us From Evil: With clarity and insight, Zacharias shows how many of today's most popular ideas, thoughts, and beliefs are vandalizing our culture. He shows how it is there, "in the depths of our innermost being, That the work of God changes what we want to do. This is not an ethical system calling us to civility. This is the transforming work of the grace of God, who calls us His children." He shows how: Secularization has led us to a loss of shame, generating evil even against those we love Pluralization has led us to a loss of reason, generating evil toward those we choose to hate Privatization has led us to loss of meaning, generating evil against ourselves

In *Did Jesus Exist?* historian and Bible expert Bart Ehrman confronts the question, "Did Jesus exist at all?" Ehrman vigorously defends the historical Jesus, identifies the most historically reliable sources for best understanding Jesus' mission and message, and offers a compelling portrait of the person at the heart of the Christian tradition. Known as a master explainer with deep knowledge of the field, Bart Ehrman methodically demolishes both the scholarly and popular "mythicist" arguments against the existence of Jesus. Marshaling evidence from within the Bible and the wider historical record of the ancient world, Ehrman tackles the key issues that surround the mythologies associated with Jesus and the early Christian movement. In *Did Jesus Exist?: The Historical Argument for Jesus of Nazareth*, Ehrman establishes the criterion for any genuine historical investigation and provides a robust defense of the methods required to discover the Jesus of history.

the subject Theology - Comparative Religion Studies, grade: cum laude, Concordia University Montreal (Concordia Theologica Institute; Neffs, Penns., USA), language: English, abstract: This paper sets out to examine the presence of Jesus Christ as presented in the Holy Quran. This is presented from the perspective of a twentieth century African Christian after an objective reading of the Holy Quran and some Hadith literature. Jesus comes through as a prophet and messenger of Allah, with whom Allah has established unique relationship and about whom the last word is not yet spoken. The Quran comes through as a great defender of what it reveals as the true nature and identity of Jesus, against different and conflicting misrepresentations of Jesus by rival Christian groups. The Quran presents a Jesus in whom Allah is greatly interested. Allah identifies and prepares Mary the mother of Jesus and entrusts her to the care of Zachariah. Allah gives a gift of a son to Zachariah in their old age; this son is John and called "Yahya" in the Quran. Allah then gives a Word from Himself to Mary. This word from Allah given to Mary becomes Jesus a son born of a virgin mother. Allah himself through the ministry of Angels and nature arranges for and takes care of Mary's confinement and post-delivery care till Allah presents her back to her people with her infant son Jesus who as an infant miraculously spoke in defense of his mother. The Quran presents a Jesus who delivers a message to the children of Israel only. A Jesus who performs miracles and a Jesus who is rescued by Allah from the threat of being crucified by the Jews Allah takes Jesus unto Himself and before the day of judgement Jesus will come to do the will of Allah. After reading all the references of Jesus in the

Quran, one develops an interest in this Prophet and Messenger of Allah and asks many questions about him. However, the Quran is silent. This silence of the Quran about so much historical information about Jesus becomes very loud and problematic. The quotations from the Holy Quran in this paper are from Ali, Abdullah Yusuf: The Holy Quran: Arabic Text, Translation and Commentary, University of New York Press, 1991. The purpose of this paper is:- 1. Trace Jesus in the Holy Quran 2. Compare and contrast the Jesus in the Quran and the Bible 3. Help Christian to understand Islam Religion and being able to answer the basic system of doctrine of a Muslim. 4. Have a picture of Jesus through the eyes of a Muslim and a Christian.
