Faith on Trial

Two years after Cheyenne saw him shot while in active duty with the military, Kane is finally home for good. He is on his way to pay Cheyenne a visit when a catastrophe throws him together with Faith Graystone. Faith needs to get home. Her two boys are counting on her to come back, but the road is impassable. Kane can get her home, but what will happen once they get there?

The Book of Mormon

Ongoing faith is essential for answered prayer, effective service, spiritual stability and real communion with God. In this book many questions are answered about faith, such as ? How may we assess the state of our faith? How can faith be strengthened? What are the most dangerous doubts? How should difficult doubts be handled?

Free Reading Faith On Trial

What is the biblical attitude to trials? How can we tell if troubles are intended to chastise or to refine? What can be done to obtain assurance? What are the sources of assurance? Can a believer commit the unpardonable sin? Exactly how is the Lord's presence felt? Dr Masters provides answers, with much pastoral advice, drawing on Scripture throughout.

Consider the Blessings

Your Faith on Trial

Lieutenant Colonel Dusty Smith was once an ambitious young law student and returned missionary who planned to use his skills to defend the Church. Along the way, however, he discovered anti-Mormon literature that caused him to turn around and attack the very faith he had once sought to defend. But after many years, the persistence of a good friend and a patient, loving Heavenly Father finally brought about Dusty's miraculous reconversion.

Hope, Grace, & Faith

Christianity on Trial

Presents fifty of the true accounts President Thomas S. Monson has shared over the years.

Trial and Triumph

Imagine a world where everyone knows everything about everybody. Where 'sharing' is valued above all, and privacy is considered a dangerous perversion. Trafford wouldn't call himself a

rebel, but he's daring to be different, to stand out from the crowd. In his own small ways, he wants to push against the system. But in this world, uniformity is everything. And even tiny defiances won't go unnoticed. Ben Elton's dark, savagely comic novel imagines a post-apocalyptic society where religious intolerance combines with a sex-obsessed, utterly egocentric culture. In this world, nakedness is modesty, independent thought subversive, and ignorance is wisdom. A chilling vision of what's to come? Or something rather closer to home?

Old-Earth Creationism on Trail

Leah was first thrust under the reality television microscope when her teen pregnancy was documented on MTV's groundbreaking series, *16 and Pregnant*. Since then, fans of *Teen Mom 2* have watched her life play out on the small screen—from her struggle to rise to the challenges of motherhood, through her harrowing journey to find a diagnosis for one of her twin girls with a rare form of muscular dystrophy, and the collapse of two marriages. She has learned to live under the harsh glare of media scrutiny, yet there is a truth behind the reality that the cameras have never revealed. In her unflinching and honest memoir, Leah takes readers behind the scenes and shares an intimate, often heartbreaking, portrait of her turbulent childhood in rural West Virginia, the rock bottom that forced her to reevaluate her life, and her triumphant break from toxic relationships and self-destructive cycles to live her life with hope, grace, and faith.

Triumph Over Trials

Profoundly moving, fearlessly honest, and relentlessly hopeful, New York Times bestselling author Rachel Held Evans offers this must-read for anyone on the journey of doubt, deconstruction, and

ultimately faith reborn. Eighty years after the Scopes Monkey Trial made a spectacle of Christian fundamentalism and brought national attention to her hometown, Rachel Held Evans faced a trial of her own when she began to have doubts about her faith. In *Faith Unraveled*, Rachel recounts growing up in a culture obsessed with apologetics, struggling as her own faith unraveled one unexpected question at a time. In order for her faith to survive, Rachel realizes, it must adapt to change and evolve. Using as an illustration her own spiritual journey from certainty to doubt to faith, Evans challenges you to disentangle your faith from false fundamentals and to trust in a God who is big enough to handle your tough questions. In a changing cultural environment where new ideas seem to threaten the safety and security of the faith, *Faith Unraveled* is a fearlessly honest story of survival. This book was previously titled *Evolving in Monkey Town*.

A Trial of Faith

Our individual trials position us to exercise the utmost, deep-rooted faith, belief, and reliance on the Creator even through the most unexpected, challenging circumstances and life events that our human spirit can't begin to comprehend. *Faith for Fiery Trials* is a soul-stirring compilation of real life stories that highlight the urgency of turning to God and His Word for strength, comfort, and peace during such trials. As demonstrated in the compelling stories of each co-author of *Faith for Fiery Trials*, when we are faced with trials the enemy will attempt to insert doubt and questions into our minds about God's love and His goodness. We can choose to allow that doubt to settle into our spirit and ask, "Why me?" or we can grow from our trials, increase our faith in God, and ask, "How can I be faithful in the midst of this trial?" We can allow adversity to break us down and make us bitter, or we can let it refine us and make us spiritually stronger. The reality is that spiritual growth can

Free Reading Faith On Trial

often be achieved more readily through trials and adversity than it can through comfort and tranquility. In each of the stories that you read in this compilation-including stories of grief due to the loss of a child, unexpected separation and divorce, contemplation of suicide, and miscarriage-you will witness the powerful hand of God in helping these amazing women to rise after trial and tragedy just like the Phoenix rises from the ashes. As you turn the pages of this book, prepare yourself to experience both the hurt and the healing of each story. Give yourself permission to sit in a space of meditation after reading this book to reflect on the love and grace that God has granted you through some of your most challenging trials. Then, praise His almighty name for the abundance of kindness and goodness that He has granted to you and each of the women in this book and work on increasing your faith in His promises. This this book is going to develop faith for some, deepen faith for others and overall, enhance your relationship with God and ignite a blazing fire in your soul!

O Me of Little Faith

"Twenty-somethings once faithfully attended church. What made them stop? While most said they still believe that the Bible is God's Word, they also said that the idea that the earth is millions of years old was one thing that caused them to doubt the bible? The crumbling foundation of the church takes a devastating toll on future generations. Therefore, churches must reclaim the historical truth found in Genesis and apply the Bible's authority to every area of life." -Ken Ham, President Answers in Genesis As the modern Church struggles to find a place of relevancy for a new generation that already has massive demands on its time and attention, more and more young people raised in the Church are leaving it - failing to find the answers to their questions of faith and life, beset with doubts raised by issues that the Church chooses not to address.

Free Reading Faith On Trial

Opting to skirt the controversy of Genesis as literal history, the biblical authority of the Holy Word is called into question and reduced to a collection of mere stories. More popularly considered an issue for schools or in the public realm, the conflicting views on the age of the earth also remain a pivotal issue within the Church - as it has for over two centuries. Was the Creation week literally six days? Does science really point to an old earth? Does the issue really matter for Christians? Should this issue even be discussed within the Church? Join authors Dr. Jason Lisle and Tim Chaffey as they put forth a case against an old-earth interpretation of Scripture. A comprehensive biblical, theological, and scientific critique of old-earth creationism, the book presents its compelling testimony in layman's terms to create a powerful debate that leads to unquestionable truth.

Christ and the New Covenant

Reveals the truth behind the murder of Maria Marshall, the role played by her husband, Rob, and the effect of the events upon their three sons, in a story marked by gambling, drugs, debt, and infidelity.

The Faith Trials

Abraham on Trial

The Third Miracle

"You can choose to see a trial as a roadblock or an expressway. If you see it as a roadblock, it will obstruct your way. However, if you see it as an expressway, you can use it to learn and grow." "The

gospel of Jesus Christ is the plan whereby we can become what God wants us to become. In fact, we become great people because of our trials, not in spite of them." This booklet reviews the nature, origins, and purposes of adversity and includes suggestions on how to patiently trust in the Lord and His eternal plan and how to use these trials to learn and grow stronger. You can benefit from your trials if you: Develop a relationship with God Let others help you Let God carry your burdens Trust that the Lord is in control and allow His will to be done Remember that everyone has challenges Let adversity make you a better person Live with integrity Be patient Make the best of your situation Serve others Keep a positive attitude Keep an eternal perspective

Faith On The March

This work uses the lens of the life of Saint Terese of Lisieux to focus on the coredemptive role all Christians are called upon to play by virtue of their baptism.

Keeping Faith

O Me of Little Faith is a brutally honest, frequently hilarious look at the struggles of a self-confessed spiritual weakling. Jason Boyett

Free Reading Faith On Trial

invites you to ask the hard questions and remain hopeful as he examines how you doubt, why you doubt, and what (if anything) should be done about it.

Millie's Fiery Trial

Faith for Fiery Trials

“A triumph. This novel’s haunting strength will hold the reader until the very end and make Faith and her story impossible to forget.”

“Richmond Times Dispatch “Extraordinary.” “Orlando Sentinel

From the #1 New York Times bestselling author Jodi Picoult

(Nineteen Minutes, Change of Heart, Handle with Care) comes

Keeping Faith: an “addictively readable” (Entertainment Weekly)

novel that “makes you wonder about God. And that is a rare

moment, indeed, in modern fiction” (USA Today).

Faith on Trial

Why do good people suffer unjustly - and yet others get away with it? The Psalmist, Asaph, dealt with this very problem in Psalm 73 - one that has often perplexed and discouraged God's people. Asaph reveals his own 'no-holds-barred' feelings and leads us step by step from near-despair to final assurance. For this reason it has always appealed to preachers and counsellors. An excellent book for those struggling with, or wondering about, injustice in the world.

Learning Through Life's Trials

Are you willing to go to jail for your faith? How much of your life conforms to what you say you believe? If you had to stand for your convictions against the whole community -- even other Christians --

Free Reading Faith On Trial

would you? Unbelievable as it may seem, ordinary Christian men and women are now on trial, facing these very questions in American courts. Their "crime"? Daring to live by their biblical convictions. Wallis Metts is no prophet of doom, but his examination of these court cases reveals that the future of religious freedom in America is in jeopardy. This book will sober you, shock you, challenge you. And it may make you a better Christian. - Back cover.

Blind Faith

The world tries to undermine your faith, but God wants to purify and strengthen it. These nine Bible studies from the books of 1 and 2 Peter will help you examine your faith -- first in salvation and then in the Christian life. 9 lessons

Trial of Faith

New slayer Faith appears strong, sexy, and willful when she arrives in Sunnydale, qualities Buffy learns to admire and work with, until Faith's impulsive attitude and inability to cope with consequences push her over the edge.

Faith on Trial

Faith on Trial

Are you struggling with or wondering about injustice in the world? Then join Martyn Lloyd-Jones as he looks at Psalm 73 ' which deals with the question "why do good people suffer unjustly and others get away with it"? The psalmist, Asaph, reveals his own 'no holds-barred' feelings and leads us step by step from near-despair to final

assurance.

Fear Fighting

The A Life of Faith: Millie Keith novels follow the exciting life and times of Millie Keith, a girl of strong Christian faith growing up on the Indiana frontier in the mid-1800s. Adapted from Martha Finley's 1876 sequel to the popular Elsie Dinsmore novels, these revised and updated, modern-language books introduce readers to yet another delightful Christian heroine.

The Trial of Faith of Saint Thérèse of Lisieux

Margaret Hosseini-Browder was born into a home ruled by an Iranian sadist father, dubbed "Chuckie" by his children after the cinematic horror icon. Eventually escaping the terrors of her youth, Margaret found solace in family life and her Christian faith. She built a successful tax preparation business, becoming a popular advocate for taxpayers, and responsible animal ownership. Her world came crashing down on the day that the IRS decided that taxpayers should not have an advocate, and she learned that the DOJ will destroy the lives of everyday Americans without a second thought, and unimpeded by the laws that are supposed to protect citizens from government persecution. Margaret has joined the other #MeToo group; those who have been unfairly attacked by unscrupulous government prosecutors who forced friends and associates into the Devil's Bargain. Over and over the government is forcing people to choose between their own lives or the lives of their friends and associates. This is the Devil's Bargain. Truth and justice are no longer a consideration to government actors who abuse their power. Follow Margaret as she seeks justice for herself, and the many others who have no voice. This is what her book is about.

The Trial of Your Faith

Abraham on Trial questions the foundations of faith that have made a virtue out of the willingness to sacrifice a child. Through his desire to obey God at all costs, even if it meant sacrificing his son, Abraham became the definitive model of faith for the major world religions of Judaism, Christianity, and Islam. In this bold look at the legacy of this biblical and qur'anic story, Carol Delaney explores how the sacrifice rather than the protection of children became the focus of faith, to the point where the abuse and betrayal of children has today become widespread and sometimes institutionalized. Her strikingly original analysis also offers a new perspective on what unites and divides the peoples of the sibling religions derived from Abraham and, implicitly, a way to overcome the increasing violence among them. Delaney critically examines evidence from Jewish, Christian, and Muslim interpretations, from archaeology and Freudian theory, as well as a recent trial in which a father sacrificed his child in obedience to God's voice, and shows how the meaning of Abraham's story is bound up with a specific notion of fatherhood. The preeminence of the father (which is part of the meaning of the name Abraham) comes from the still operative theory of procreation in which men transmit life by means of their "seed," an image that encapsulates the generative, creative power that symbolically allies men with God. The communities of faith argue interminably about who is the true seed of Abraham, who can claim the patrimony, but until now, no one has asked what is this seed. Kinship and origin myths, the cultural construction of fatherhood and motherhood, suspicions of actual child sacrifices in ancient times, and a revisiting of Freud's Oedipus complex all contribute to Delaney's remarkably rich discussion. She shows how the story of Abraham legitimates a hierarchical structure of authority, a specific form of family, definitions of gender, and the value of obedience that have become the bedrock of society. The question she leaves us with is

Free Reading Faith On Trial

whether we should perpetuate this story and the lessons it teaches.

Faith on Trial

Does Christianity hold up under scrutiny? Mark Lanier, one of America's top trial lawyers, uses his experienced legal eye to examine the plausibility of the Christian faith. Bringing science, current knowledge, and common sense together in a courtroom approach, this "trial" elucidates a rich understanding of God and a strong foundation for Christian faith.

Faith Unraveled

Faith on Trial explains how the Supreme Court's reliance on "procedural liberalism" hampers its ability to adequately address the reality of religion as a pluralistic social institution.

Faith on Trial

Introducing a major new doctrinal work written by Elder Jeffrey R. Holland who shares his apostolic witness of the central figure of the Book of Mormon—the Lord Jesus Christ. For most of a decade, Elder Holland has read the Book of Mormon repeatedly and thoroughly, focusing on all references to the Savior and his teachings. The result is an intelligent observation and thorough study of the Book of Mormon's contribution to our understanding of Christ. On the illustrated edition: Elder Holland's classic examination of Jesus Christ as the "principal and commanding figure" in the Book of Mormon is now available as an illustrated keepsake. This landmark book explores what the Book of Mormon reveals about the character, attributes, and mission of our Savior. In his warm and thoughtful style, Elder Holland explains why, more than any other book, the Book of Mormon "has taught me to love the Lord Jesus
