## **Getting To The Core Of Apple Cider Vinegar**

Captivating stories of how a young doctor's first year of medical practice in the Smoky Mountains shaped his practice of life and faith. The little mountain hamlet of Bryson City, North Carolina, offers more than dazzling vistas. For Walt Larimore, a young "flatlander" physician setting up his first practice, the town presents its peculiar challenges as well. With the winsomeness of a James Herriott book, Bryson City Tales sweeps you into a world of colorful characters, the texture of Smoky Mountain life, and the warmth, humor, quirks, and struggles of a small country town. It's a world where the family doctor is also the emergency physician, the coroner, and the obstetrician, and where wilderness medicine is part of the job, search-and-rescue calls in the national forest are a way of life, and the next patient just may be somebody's livestock or pet. Bryson City Tales is the tender and insightful chronicle of a young man's rite of passage from medical student to family physician. Laughter and adventure await you in these pages, and lessons learned from Bryson City's unforgettable residents.

## **The Simplicity of Cider**

Man's behavior has become excessively wicked, and has done violence to his own soul. Despite the subpoena of the Ten Commandments, he has not obeyed the lawful order of God's government. He is thereby held in contempt of the Supreme Court of Heaven. The contemnor's charge is beyond reasonable doubt, having impaired the dignity of the law and failure to respect his Creator. Evidently, his behavior has been disorderly, insolent, and brazen. Therefore, a bench warrant with a penal notice has been issued for him to be arraigned before the Supreme Judge of the universe, (Revelation 14: 6-7). This book reminds us that our own epoch, like others before has its own assumptions and illusions about life. Each generation is influenced by the previous one, and any defense of virtues becomes an offense. People simply adjust to rising temperature of wickedness. Repentance is the greatest disinfectant for the stench of a sinful soul. In this confusion, Christ is more than the spider in the web of human affairs: more than the bee in the hive of

life's circumstances. He is often the honey in the comb that sweetens life's bitterness.

## **The Coyote Log**

Inspired by the full flavors produced from their idyllic ciderhouse in the heart of a rustic New England apple orchard, Jonathan Carr and Nicole Blum's recipes, developed in collaboration with chef Andrea Blum, celebrate the versatility of fresh cider in all its forms. Ciderhouse Cookbook teaches home cooks how to make a full array of traditional cider products, including cider syrups, molasses, vinegars, shrubs, and switchels, as well as apple preserves. The 127 cider-enriched recipes that follow are simple yet elegant, ranging from Oven-Roasted Asparagus with Garlicky Apple Vinaigrette to Braised Lamb Stew with Apples, Switchel, and Yogurt Mint Sauce; Cider Mimosas; Apple Pommeau Cake; and Crêpes with Fried Apples and Cider Caramel Sauce. With beautiful photography that captures the ambiance of the ciderhouse, this book is a deliciously loving tribute to America's favorite fruit. Hot Apple Cider by Rosie Hilton ft. Princess Rosie, Ms. Jenny, "Frozen Balls", "Crushed Nuts", and "Pea Nuts". Themes Include: Brutal Ball Busting, Tease and Denial, Post Orgasm Punishment, Spiked Chastity, Auto Punching Circus Gloves and Other Inventive Dungeon Domination Tactics, and other things girls do that I can't repeat in a description. SYNOPSIS: Princess Rosie is training a new domme, Ms. Jenny, whose main responsibilities include monitoring the three slaves Rosie keeps in her personal home dungeon, teasing and tempting them, and punching them in the balls when called for, something she lives to do. Rosie also has a business dungeon in the city where she keeps a dozen slaves, but her home is reserved for a much more intimate form of domination. It's Christmas so Princess Rosie wants to treat her slaves to a holiday dungeon session. In the early evening, she joins Jenny in the dungeon to give some personal attention to her slaves. Her newest slaves, Adam (aka, "Crushed Nuts") and Kyle (aka, "Frozen Balls"), end up with new names based on their holiday dungeon experiences. Her oldest slave, Pea Nuts, keeps his name because it is so suitable for him. He has the smallest nuts of any man she's ever seen naked, including the photos of men she's seen on the internet. She loves torturing his tiny nuts and

humiliating him. And she even makes him sleep in his horse cage on a bed of peanut shells for added humiliation. Adam, Kyle, and Pea Nuts are in for an incredibly brutal evening at the hands of Princess Rosie and Ms. Jenny. Two of them will be punished quite severely for orgasming without permission, and the third will be punished unbearably for failing two direct orders. When the night is through, Princess Rosie's basement will be complete with the six sorest testicles to ever spend a night in her personal dungeon. "Blossom Valley, West Virginia, is home to Smythe Orchards, Winnie and her Granny's beloved twenty-five-acre farm and family business. But any way you slice it, it's struggling. That's why they're trying to drum up business with the "First Annual Christmas at the Orchard," a good old-fashioned holiday festival with enough delicious draw to satisfy apple-picking locals and cider-loving tourists alike--until the whole endeavor takes a sour turn when the body of Nadine Cooper, Granny's long-time, grudge-holding nemesis, is found lodged in the apple press.
