The Oberlin Evangelist

Your Right to Know God

The Wise Teacher. A Sermon [on Job Xxxii. 7]. (“Lazarus, Come Forth.” A Sermon [on John Xi. 44]. Grieving the Holy Spirit. A Sermon [on Ephes. Iv. 30].).

The Works of Hannah More

The founder of Choice Resources provides a new look at success, drawn from the teachings of John the Baptist, that instructs readers how to live a more rewarding and fulfilling life without focusing on being smarter, bigger, and the center of attention, which should be God's role in our lives.

Homiletic Review

Contains text of sermons delivered by M.J. Savage and others in New York City.

I Am Not But I Know I Am

Do you describe yourself as spiritual but not religious? Whether young or old, church connected or not, are you spiritually restless for an authentic faith life but do not find conventional religious teachings pertinent to you? This accessible guide to a meaningful spiritual life is a salve for your soul. It reinterprets traditional religious teachings central to the Christian faith - God, Jesus, faith, prayer, morality and more - in ways that connect with people who have outgrown the beliefs and devotional practices that once made sense to them.

Think you know God? Disinformation takes on religion as only they can.

Northfield Echoes

From the bestselling author of *A History of God* and *The Great Transformation* comes a balanced, nuanced understanding of the role religion plays in human life and the trajectory of faith in modern times. Why has God become incredible? Why is it that atheists and theists alike now think and speak about God in a way that veers so profoundly from the thinking of our ancestors? Moving from the Paleolithic Age to the present, Karen Armstrong details the lengths to which humankind has gone to experience a sacred reality that it called God, Brahman, Nirvana, Allah, or Dao. She examines the diminished impulse toward religion in our own time when a significant number of people either want nothing to do with God or question the efficacy of faith. With her trademark depth of knowledge and profound insight, Armstrong elucidates how the changing world has necessarily altered the importance of religion at both societal and individual levels. And she makes a powerful, convincing argument for structuring a

faith that speaks to the needs of our dangerously polarized age. From the Hardcover edition.

Parliamentary Debates

This book underscores the natural right of all humans to know God. Today, we are told that God is irrelevant to our livelihood and we do not need God for anything. This deception emanates from our lack of understanding of and about God. In this book, you will find insight into: -Who God really is. -How and why it is your right to know God. -The benefits of knowing God for the individual, nation and the Christian. -How Science tells us more about God. -How you can know God on a personal level and the stages of knowing God. -How you can discover yourself in God and the blessed privileges we all have in Christ Jesus. -And many more. Usually, our understanding of God is too human and we end up misunderstanding Him and subsequently missing out on knowing Him. This book is here to help you understand and know the true God who made you.

Finding God Beyond Religion

The Japan Daily Mail

Prayer seems like it should be so simple. Yet, when it comes to actually praying, so often it feels awkward and complicated. The truth is, prayer is simple. It's like talking. Talking with a good friend. Down-to-earth pastor Adam Weber offers an accessible, hopeful approach to one of life's greatest mysteries: talking with God. Now with a brand new bonus chapter and in paperback. This is a book on prayer for the person who longs to connect with God, but doesn't really know how. It's a book for the person who has a job, family, schedule, kids, deadlines, full inbox, and a million things to do and yet is curious about prayer and talking with God. What does it really look like to pray in the midst of all of life's craziness?
