The Minimalist Cooks Dinner

From veteran food writer, recipe developer, and creator of the James Beard Award-winning Jarry magazine comes an innovative approach to vegetarian cooking. What have I got to eat? It's a question we ask every time we open up the refrigerator or pantry door. It might be eggs, some cheese, and half a loaf of bread, or a box of wilting greens, garlic, and some sweet potatoes. Though these ingredients may not seem like much to make a delicious meal, recipe developer and author Lukas Volger knows it's all you need. In *Start Simple* he offers a radically new, uncomplicated, and creative approach to cooking that allows you to use what you already have on hand to make great meals you didn't think were possible. Magic can happen with just a few ingredients: sweet potatoes, tortillas, eggs, cabbage, hearty greens, beans, winter squash, mushrooms, tofu, summer squash, and cauliflower. Volger advises readers to stock up on these eleven building blocks instead of shopping for a single recipe. A protein (tofu, beans, eggs) is a foundation. A crunchy garnish (cabbage, greens) is a finishing touch. Once these structural components of a meal are established,

File Type PDF Its All Easy Delicious Weekday Recipes For The Super Busy Home Cook

home chefs can throw in their own variations and favorite flavors—mixing, matching, and adding ingredients to customize their dishes. While *Start Simple* is a vegetarian cookbook—none of the recipes include meat—Volger's approach transcends categories. His methods aren't about subscribing to a specific dietary regimen; they are about simply recognizing and embracing the way people cook and eat today. Creating weekly meal plans based on intricate recipes sounds good, but it can be difficult to execute. Having a well-stocked pantry paired with a choose-you-own adventure guide to creating simple yet inventive meals is more practical for your average home cook.

The Weeknight Mediterranean Kitchen

Busy cooks will love the creative spin they can put on their weekly meal plans with the help from the newest title in the best-selling Gooseberry Patch series. *Weeknight Dinners* is packed with over 250 family-friendly recipes but it's the cleverly themed chapters that are the biggest help. Divided into five themed chapters like Meatless Monday, Tex-Mex Tuesday and more, it's like getting five cookbooks in one!
