The Life of John Milton: 1660-1674

A.N. Wilson's sympathetic, readable and brilliantly analytical narrative places John Milton, the greatest poet of the seventeenth century, in the context of his political and religious ideas.'Warmly recommended for its intelligence and readability.' The Times'Concise, balanced and wide-ranging, it deserves to become the standard life.' London Magazine'The brightest and best short biography of Milton ever written.' Punch

The Works of John Milton, in Verse and Prose

In this compelling first volume in the Blackwell Introductions to Literature series, Roy Flannagan, editor of The Milton Quarterly, provides a

Free Reading Life Of John Milton

readable and uncluttered critical account of a complicated and sophisticated author, and his poetry and prose. Puts John Milton under the microscope, using the still-evolving critical perspectives of the last fifty years Looks at Milton's life, and the cultural background to his work, as well as examining his writing Considers how and why Milton's work has endured the centuries to educate, entertain and intrigue so many generations of readers Ideal for the reader falling in love with Milton's poetry and prose, who longs to know more about what people think about the poetry, the man or the historical context

The History of Britain

This is an account of the life and career of John Milton. The book traces the development of Milton's poetry from the Latin intimations of his boyhood through the lyrical poems of his youth, Lycidas, Comus and the Hymn on the Morning of Christ's Nativity to the achievements of Paradise Lost and Samson Agonistes, offering Levi's own interpretations of the poems and placing them in the context of Milton's contemporaries and his times. Levi's own translations of some of Milton's Latin poems are also included.

Paradise Lost

Providing a close examination of Milton's wide-ranging prose and poetry at each stage of his life, Barbara Lewalski reveals a rather different Milton from that in earlier accounts. Provides a close analysis of each of Milton's prose and poetry works. Reveals how Milton was the first writer to self consciously construct himself as an 'author'. Focuses on the development of Milton's ideas and his art.

Life of John Milton

L'allegro

John Milton

John Milton

A companion to the epic poem Paradise Lost, John Milton's Paradise Regained describes the temptation of Christ. After Adam and Eve are expelled from the Garden of Eden, Satan and the fallen angels stay on earth to lead people astray. But when God sends Jesus, the promised savior, to earth, Satan prepares himself for battle. As an adult, Jesus goes into the wilderness to gain strength and courage. He fasts for 40

days and nights, after which Satan tempts him with food, power, and riches. But Jesus refuses all these things, and Satan is defeated by the glory of God. This is an unabridged version of Milton's classic work, which was first published in England in 1671.

Woodrow Wilson

William Poole recounts Milton's life as England's self-elected national poet and explains how the greatest poem of the English language came to be written. How did a blind man compose this staggeringly complex, intensely visual work? Poole explores how Milton's life and preoccupations inform the poem itself—its structure, content, and meaning.

The Life of John Milton

Milton and the Making of Paradise Lost

The Life of John Milton

For centuries John Milton, author of *Paradise Lost* and many other poetic works, and of radical pamphlets on free speech, divorce and political rights, has emerged from biographies as a woman-hating domestic tyrant or a saintly blind man. But, as Anna Beer shows, his personal life was just as rich and complex as his professional one. By close and groundbreaking analysis of Milton's careful editing of his own life, his wider family's affairs, the records of his government work, and the history of England during one of its most tumultuous periods of social and cultural life, Beer brings both the poet and his period to vivid life.

Paradise Regained

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

John Milton

John Milton

Evaluates the parallel worlds of the twenty-eighth president's personal and political arenas, examining his World War I leadership, his failed efforts to bring the United States into the League of Nations, and his contributions toward the creation of the United Nations.

Areopagitica

The Life of John Milton

Poet of Revolution

A groundbreaking biography of Milton's formative years that provides a new account of the poet's political radicalization John Milton (1608–1674) has a unique claim on literary and intellectual history as the author of both *Paradise Lost*, the greatest narrative poem in English, and prose defences of the execution of Charles I that influenced the French and American revolutions. Tracing Milton's literary, intellectual, and political development with unprecedented depth and understanding, *Poet of Revolution* is an unmatched biographical account of the formation of the mind that would go on to create *Paradise Lost*—but would first justify the killing of a king. Biographers of Milton have always struggled to explain how the young poet became a notorious defender of regicide and other radical ideas such as freedom of the press, religious toleration, and republicanism. In this groundbreaking intellectual biography of Milton's formative years, Nicholas McDowell draws on recent archival discoveries to reconcile at last the poet and polemicist. He charts Milton's development from his earliest days as a London schoolboy, through his university life and travels in Italy, to his emergence as a public writer during the English Civil War. At the same time, McDowell presents fresh, richly contextual readings of Milton's best-known works from this period, including the "Nativity Ode," "L'Allegro" and "Il Penseroso," *Comus*, and "Lycidas." Challenging biographers who claim that Milton was always a secret radical, *Poet of Revolution* shows how the events that provoked civil war in England combined with Milton's astonishing programme of self-education to instil the beliefs that would shape not only his political prose but also his later epic masterpiece.

Milton's Ode on the Morning of Christ's Nativity, L'Allegro, Il Penseroso and Lycidas

John Milton

The Life of John Milton

Paradise Lost is an epic poem in twelve books, in English heroic verse without rhyme, by John Milton (C. P. P.) and was published in 1667. The subject is the fall of man, and the expulsion from Paradise.

Eden Renewed

Lycidas

Areopagitica

John Milton

John Milton has usually been regarded as 'the other great poet' in English literature, after Shakespeare. He is the only one of the world's great poets also to have been actively engaged in politics. A radical Protestant and staunch republican, he served as Latin secretary to Oliver Cromwell during the Commonwealth. After the restoration of Charles II, his life was probably saved by his fame as a poet. Apart from the great poems like Paradise Lost and Samson Agonistes, Milton also wrote eloquent treatises on topics including divorce, freedom of the press, kingship and education. This lively new biography by a renowned Milton scholar explores the psychological complexities of a man who must be counted one of the most significant and fascinating writers and thinkers of all time.

Milton's Samson Agonistes

For the first time in an approachable, affordable volume this study treats the whole literary career of England's most distinguished protestant-republican poet and writer, considering the miscellaneous output in the light of contexts and political functions. It highlights self-presentational and persuasive characteristics, pays attention to the sense of vocation and also describes Milton's distinctive achievement in social genres. Milton's competitive humanist training is seen to accommodate uneasily to the specific demands of some public works. The book features unfamiliar texts, whilst canonical texts are set in the story of his long endeavours during a turbulent period in English history.

The Poetical Works of John Milton

The Life of John Milton

These essays lead the reader into the political and intellectual worlds within which John Milton wrote his verse and prose, and into the later worlds within which his reputation evolved and fluctuated. The illuminating and entertaining range of perspectives will appeal to specialists and non-specialists alike.

The Doctrine & Discipline of Divorce

"Winner of the James Holly Hanford Prize given by the Milton Society of America An exploration into the mind of John Milton that probes deeper than previous biographical studies, John Shawcross's award-winning text examines the psychological underpinnings of Milton's decision to become a poet, the homoerotic dimensions of his personality, and his relationships with his father and mother. John T. Shawcross is professor emeritus of English at the University of Kentucky and the author and editor of many books. See other books in the series Studies in the English Renaissance.

(Milton's) Comus

Providing a close examination of Milton's wide-ranging prose and poetry at each stage of his life, Barbara Lewalski reveals a rather different Milton from that in earlier accounts. Provides a close analysis of each of Milton's prose and poetry works. Reveals how Milton was the first writer to self consciously construct himself as an 'author'. Focuses on the development of Milton's ideas and his art.

Lives of the Most Eminent English Poets, with Critical Observations on Their Works by Samuel Johnson

John Milton

Paradise Lost. A poem, etc. (The Life of John Milton [by Elijah Fenton].).

This book re-examines scrupulously the writings and the life records of John Milton, in the context of a proper understanding of the recent developments in seventeenth-century historiography. Milton's thought has often been too simply described. The approach here is to interrogate more sceptically notions like puritanism, republicanism, radicalism, and dissent. A more complex story emerges, of Milton's culturally rich but ideologically conformist early decades, and of his radicalisation during the later years of Laudianism. We track the internal dynamics of English puritanism in the 1640s and the impact that has on his own convictions. In the 1650s Milton's thought and beliefs were reconciled to the role as public servant. In the 1660s a renewed confidence carried him towards the completion of his greatest project, *Paradise Lost*, and his final years were ones of creative fulfilment and renewed political engagement. Amid the discontinuities occasioned by shifting political circumstance, by the exigencies of polemical context, and the diversity of genres in which he wrote, Milton emerged as a major political thinker and significant systematic theologian, as well as the most eloquent prose writer and most accomplished poet of the age. A more human Milton appears in these pages, flawed, self-contradictory, self-serving, arrogant, passionate, ruthless, ambitious, and cunning, as well as the literary genius who achieved so much.
