Tonality - Wikipedia

Tonality is the arrangement of pitches and/or chords of a musical work in a hierarchy of perceived relations, stabilities, attractions and directionality. In this hierarchy, the single pitch or triadic chord

Online PDF Music Theory Essentials A Step By Step Introduction To Music Theory For All Musicians

with the greatest stability is called the tonic. The root of the tonic chord forms the name given to the key; so in the key of C major, the note C is both the tonic of the scale and the

Android Essentials: Creating Simple User Forms

Using Tab to Learn Chords. You'll notice on some guitar tabs, chord names are written above the measures and chord diagrams are provided generally on the first page (like on the tab for "Stand by Me").. When a chord is written at the start of a measure, it usually implies the overall harmony for any notes actually being shown from that point on.
