More often than not, this means sitting in the front row, so you have no visual obstacles. However that's not always the case—at a recent conference I attended, there were a few round tables at the back. Being able to rest my notebook on a table, rather than on my lap, meant I had a much steadier hand. I think my sketches are better as a

38. Things that smell like books. Any true book lover savors all aspects of the reading experience – the feel of a page between their fingers, watching as a cover slowly becomes dog-eared, and, of course, the smell of books. (If you don't know what books smell like, then you've been found out, because you are clearly not a book lover.)

The life and works of Percy Bysshe Shelley exemplify English Romanticism in both its extremes of joyous ecstasy and brooding despair. Romanticism's major themes—restlessness and brooding, rebellion against authority, interchange with nature, the power of the visionary imagination and of poetry, the pursuit of ideal love, and the untamed spirit ever in search of freedom—all of these

I like all of these movies, they don't take themselves too seriously and the locations and action scenes are top-notch. The new one is a bit static for my taste but it was still a lot of fun. Lara Croft: Tomb Raider (2001) Beautiful and brainy, Lara Croft (Angelina Jolie) races against time and villains to recover powerful ancient artifacts.
