The year is 1916. The enemy, Pancho Villa, is elusive. Terrain is unforgiving. Through the mountains and across the long dry stretches of Mexico, Napoleon Childs, an aging cavalryman, leads an expedition of inexperienced horse soldiers on seemingly fruitless searches. Though he is seasoned at such missions, things go terribly wrong, and his patrol is suddenly at the mercy of an enemy intent on their destruction. After witnessing the demise of his troops, Napoleon is left by his captors to die in the desert. Through him we enter the conflicted mind of a warrior as he tries to survive against all odds, as he seeks to make sense of a lifetime of senseless wars and to reckon with the reasons a man would choose a life on the battlefield. Olmstead, an award-winning writer, has created a tightly wound novel that is as moving as it is terrifying.

Anora Silby can see the dead and turn spirits into gold coins, two things she would prefer to keep secret as she tries to lead a normal life at her new school. After all, she didn't change her identity for nothing. As it turns out, hiding her weirdness is just one of many challenges. By the end of her first day, she's claimed the soul of a dead girl on campus and lost the coin. Turns out, the coin gives others the ability to steal souls, and when a classmate ends up dead, there's no mistaking the murder weapon. Navigating the loss of her Poppa, her mother's mistrust, and Roundtable, an anonymous student gossip app threatening to expose her, are hard enough. Now she must find the person who stole her coin before more lives are lost, but that means making herself a target for the Order, an organization that governs the dead on Earth -- and they want Anora and her powers for themselves.

Now a New York Times and USA Today bestseller! Winner of Best Science Fiction in the 2020 Goodreads Choice Awards! *To Sleep in a Sea of Stars* is a brand new epic novel from #1 New York Times bestselling author of *Eragon*, Christopher Paolini. Kira Nav á rez dreamed of life on new worlds. Now she's awakened a nightmare. During a routine survey mission on an uncolonized planet, Kira finds an alien relic. At first she's delighted, but elation turns to terror when the ancient dust around her begins to move. As war erupts among the stars, Kira is launched into a galaxy-spanning odyssey of discovery and transformation. First contact isn't at all what she imagined, and events push her to the very limits of what it means to be human. While Kira faces her own horrors, Earth and its colonies stand upon the brink of annihilation. Now, Kira might be humanity's greatest and final hope At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Guess Who's Coming Out? Noah Abraham is back in New York tending to his ailing father while dealing with his writer's block on a book about gay congressional staffers. What he needs is a break, and a night out with his stepmother, Tricia--the most down-to-earth Trophy Wife on Park Avenue--is just the thing, especially when she introduces Noah to the handsome Bart Gustafson. Bart is as charming, personable, and laid back as Noah is intense. He's also the personal assistant to former film and television star Quinn Scott. The macho stud has been living in exile for years since running away with one of his ex-wife's back-up dancers. . . .a male back-up dancer. And just like that, Noah's writing block is cured. The Full, Shocking Story! Getting a sizzling, tell-all book out of Quinn won't be boring--or easy. The 72-year-old is profane, hard-drinking, and hard of hearing, but he's got plenty of dish on Hollywood, especially its very deep closets. He and his longtime lover are ready to talk. The only topics that are off-

limits for Quinn are his son, heartthrob actor Quinn, Jr., and his marriage to 1960's wholesome screen queen, Kitty Randolph. The girl once known for her "sweetness" has spent the last forty years morphing from girl-next-door to scary, I'm-not-mad-at-you-I'm-mad-at-the-dirt Hollywood mogul. She owns that town, and she's not about to let her ex-husband spill secrets that will embarrass her and threaten the image she's built. And if Noah is in her scenery-chewing way, he better grow some claws. . . jungle red. Exclusive! Unbelievable! And Very, Very Hot. . . Now, in an outrageous La-La-Land of come-ons, coming outs, and tell-alls, where everyone's got something to hide and plenty to divulge, Noah and Bart are riding fame's heady, strange wave and trying not to get drowned in the process. It's going to take every bit of cunning they've got, because when the stars come out, someone's going to take a fall. . . The celebrated author of *The Night We Met* and *Trust Fund Boys* delivers a hilarious, wickedly witty novel about the secrets we keep, the lies we tell, and the love that can make us brave at last. Outstanding praise for Rob Byrnes and *Trust Fund Boys* "Tune in and turn those pages with this charming, well paced romance."--Booklist "Just as he did in his first novel, *The Night We Met*, Byrnes brews a sexy, slippery, highly entertaining romance."--Lavender Magazine And praise for *The Night We Met* "Clever . . . compulsively readable . . . The supporting cast is strong and the breezy dialogue exchanges are as authentic as they are hilarious. Byrnes adroitly combines a twist-filled plot, solid characterization, humor and steamy sex to create a nicely crafted, delightful debut that readers of any orientation will enjoy."--Publishers Weekly "A crowd pleasing delight."--Booklist "The Night We Met is a frantic, nonstop romp through a wild gay romance that few readers will be able to put down."--In Step "A madcap, tightly plotted and captivating farce. Events take refreshingly unexpected twists and turns at every opportunity and leave the reader giddy with anticipation. It's a delightful read."--Just Out
