### Over the Range to the Golden Gate

In this raw and moving memoir, Claude Thomas describes his service in Vietnam, his subsequent emotional collapse, and his remarkable journey toward healing. At Hell's Gate is not only a gripping coming-of-age story but a spiritual travelogue from the horrors of combat to the discovery of inner peace—a journey that inspired Thomas to become a Zen monk and peace activist who travels to war-scarred regions around the world. "Everyone has their Vietnam," Thomas writes. "Everyone has their own experience of violence, calamity, or trauma." With simplicity and power, this book offers timeless teachings on how we can all find healing, and it presents practical guidance on how mindfulness and compassion can transform our lives. This expanded edition features: □ Discussion questions for reading groups □ A new afterword by the author reflecting on how the current wars in Iraq and Afghanistan are affecting soldiers □ and offering advice on how to help returning soldiers to cope with their combat experiences

A Journey from Orenburg to Bokhara in the Year 1820

In the summer of 1994, guided by the image of his childhood, award-winning Canadian poet Stephen Scobie returned to his native Scotland and set out on a journey that took him through the country's most beautiful and historic regions. The lyrical meditations of Taking the Gate are part poetry, part prose; part travel writing, part autobiography and create an evocative account of the rediscovery of landscape and memory. Photographs extend the author's portrayal and chronicle his experiences as past and present converge.

SIDELINED BY MAN, ANIMALS TURNED TO DEMONS. Plundered by humans of their habitats, animals take a drastic step when they decide to send a team of a cat named as Katy and a dog named as Dug, to an invisible island known, as the Island of 'Five Hundred Graves'. The island becomes visible only for a short time on the night of the full moon. Legend has it that the island is inhabited by the demons. Katy and Dug are supposed to negotiate a deal with the demons, convincing them to allow the animals inhabit the island. Majority of the animal community believe that tinkering with the other world could bring their wrath to the animals. The team is sent to the island nevertheless. But can a deal with the dead be materialized? Are there really demons on the island? Is there any conspiracy involved? Will Katy and Dug be able to negotiate, or will survival remain their only question in the deadly island?
