Diary of a Minecraft Zombie Book 13

The “ fascinating ” #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author ' s personal collection.

The Ballad of Winston the Wandering Trader, Book 5

Eeebs isn't a very disciplined kitten. His mom warned him not to play in the forest, but he didn't listen. That's how he found himself in the Nether, a bizarre world inhabited by scary creatures. In the company of a ghost, almost cheerful witch, Eeebs develops supernatural powers. Will this be enough to fight against Endernova's army, the Enderman, who want to rule over the Overworld? In order to save his friends, Eeebs must become the champion of the Nether, as the prophecy of The Chosen One tells . . .

The Ballad of Winston the Wandering Trader, Book 2

50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “ greasers ” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

If Ever I Return, Pretty Peggy-O

In August 2003, North Carolina became the first U.S. state to offer restitution to victims of state-ordered sterilizations carried out by its eugenics program between 1929 and 1975. The decision was prompted by newspaper stories based on the research of Johanna Schoen, who was granted unique access to summaries of 7,500 case histories and the papers of the North Carolina Eugenics Board. In this book, Schoen situates the state's reproductive politics in a national and global context. Widening her focus to include birth control, sterilization, and abortion policies across the nation, she demonstrates how each method for limiting unwanted pregnancies had the potential both to expand and to limit women's reproductive choices. Such programs overwhelmingly targeted poor and nonwhite populations, yet they also extended a measure of reproductive control to poor women that was previously out of reach. On an international level, the United States has influenced reproductive health policies by, for example, tying foreign aid to the recipients' compliance with U.S. notions about double-edged sword, offering unprecedented opportunities to poor women while subjecting foreign patients to medical experimentation that would be considered unacceptable at home. Drawing on the voices of health and science professionals, civic benefactors, and the women themselves, Schoen's study allows deeper understandings of the modern welfare state and the lives of American women. Johanna Schoen is assistant professor of history and women's studies at the University of Iowa.

Zombie Boy & I

North Carolina possesses one of the longest, most treacherous coastlines in the United States, and the waters off its shores have been the scene of some of the most dramatic episodes of piracy and sea warfare in the nation's history. Now, Lindley Butler brings this fascinating aspect of the state's maritime heritage vividly to life. He offers engaging biographical portraits of some of the most famous pirates, privateers, and naval raiders to ply the Carolina waters. Covering 150 years, from the golden age of piracy in the 1700s to the extraordinary transformation of naval warfare ushered in by the Civil War, Butler sketches the lives of eight intriguing characters: the pirate Blackbeard and his contemporary Stede Bonnet; privateer Otway Burns and naval raider Johnston Blakeley; and Confederate raiders James Cooke, John Maffitt, John Taylor Wood, and James Waddell. Penetrating the myths that have surrounded these legendary figures, he uncovers the compelling true stories of their lives and adventures.

The Ballad of Winston the Wandering Trader, Book 1

The book is illustrated with screenshots throughout, making it easy for new and experienced Minecrafters to build, fight, protect, and survive in their creative worlds.

End of the Dragon!

The Gory Stories Behind The Murder Ballads Cheerfully vulgar, revelling in gore, and always with an eye on the main chance, murder ballads are tabloid

newspapers set to music, carrying word of the latest ' horrible murders to an insatiable public. Victims are bludgeoned, stabbed or shot in every verse and killers often hanged, but the songs themselves never die. Instead, they mutate – morphing to suit local place names as they criss cross the Atlantic and continue to fascinate each generation ' s biggest musical stars. Paul Slade traces this fascinating genre ' s history through eight of its greatest songs. Stagger Lee ' s “ biographers ” alone include Duke Ellington, James Brown, Bob Dylan, Dr John, The Clash and Nick Cave. No two tell his story in quite the same way. Covering eight classic murder ballads, including “ Knoxville Girl ” , “ Tom Dooley ” and “ Frankie & Johnny ” , Slade investigates the real-life murder which inspired each song and traces its musical development down the decades. Billy Bragg, The Bad Seeds ' Mick Harvey, Laura Cantrell, Rennie Sparks of The Handsome Family and a host of other leading musicians add their own insights.

A Notchmas Carol

Book 4 in the popular Ballad of Winston unofficial Minecraft fanfiction series

The Ballad of Winston the Wandering Trader, Book 9

John Lennon wrote *Skywriting by Word of Mouth*, an impressive collection of writings and drawings, during Yoko Ono's pregnancy with Sean, and always planned to have it published. The book's publication was a wish that seemed to end with Lennon's assassination in 1980 and the theft of the manuscript from the Lennons' home in 1982. When it was recovered and first published in 1986, *Skywriting* received immediate critical and popular acclaim. Filled with Lennon's extraordinary creative powers and lavishly illustrated with his own drawings, the collection reveals his fertile creative spirit up close and in full force. Included in *Skywriting* are "Two Virgins," written when the public learned that John and Yoko were living together as husband and wife, and John's only autobiography, "The Ballad of John and Yoko." In addition there are notes on his falling in love with Yoko, the breakup of the Beatles, his persecution by U.S. authorities, and his withdrawal from public life. This is a book with John Lennon's spirit on every page—a spirit the world needs to remember.

Dave the Villager 18

Book 5 in the popular Ballad of Winston unofficial Minecraft fanfiction series. This is also the Season One finale.

The Outsiders

Henry King Burgwyn, Jr. (1841-63), one of the youngest colonels in the Confederate Army, died at the age of twenty-one while leading the twenty-sixth North Carolina regiment into action at the battle of Gettysburg. In this sensitive biography, originally published by UNC Press in 1985, Archie Davis provides a revealing portrait of the young man's character and a striking example of a soldier who selflessly fulfilled his duty. Drawing on Burgwyn's own letters and diary, Davis also offers a fascinating glimpse into North Carolina society during the antebellum period and the Civil War.

Skywriting by Word of Mouth

Winner of the Southern Book Prize for Literary Fiction Named a Best Book of 2017 by the Chicago Public Library and the American Library Association “ Wiley Cash reveals the dignity and humanity of people asking for a fair shot in an unfair world. ” - Christina Baker Kline, author of *A Piece of the World* and *Orphan Train* The New York Times bestselling author of the celebrated *A Land More Kind Than Home* and *This Dark Road to Mercy* returns with this eagerly awaited new novel, set in the Appalachian foothills of North Carolina in 1929 and inspired by actual events. The chronicle of an ordinary woman ’ s struggle for dignity and her rights in a textile mill, *The Last Ballad* is a moving tale of courage in the face of oppression and injustice, with the emotional power of Ron Rash ’ s *Serena*, Dennis Lehane ’ s *The Given Day*, and the unforgettable films *Norma Rae* and *Silkwood*. Twelve times a week, twenty-eight-year-old Ella May Wiggins makes the two-mile trek to and from her job on the night shift at American Mill No. 2 in Bessemer City, North Carolina. The insular community considers the mill ’ s owners—the newly arrived Goldberg brothers—white but not American and expects them to pay Ella May and other workers less because they toil alongside African Americans like Violet, Ella May ’ s best friend. While the dirty, hazardous job at the mill earns Ella May a paltry nine dollars for seventy-two hours of work each week, it ’ s the only opportunity she has. Her no-good husband, John, has run off again, and she must keep her four young children alive with whatever work she can find. When the union leaflets begin circulating, Ella May has a taste of hope, a yearning for the better life the organizers promise. But the mill owners, backed by other nefarious forces, claim the union is nothing but a front for the Bolshevik menace sweeping across Europe. To maintain their control, the owners will use every means in their power, including bloodshed, to prevent workers from banding together. On the night of the county ’ s biggest rally, Ella May, weighing the costs of her choice, makes up her mind to join the movement—a decision that will have lasting consequences for her children, her friends, her town—indeed all that she loves. Seventy-five years later, Ella May ’ s daughter Lilly, now an elderly woman, tells her nephew about his grandmother and the events that transformed their family. Illuminating the most painful corners of their history, she reveals, for the first time, the tragedy that befell Ella May after that fateful union meeting in 1929. Intertwining myriad voices, Wiley Cash brings to life the heartbreak and bravery of the now forgotten struggle of the labor movement in early twentieth-century America—and pays tribute to the thousands of heroic women and men who risked their lives to win basic rights for all workers. Lyrical, heartbreaking, and haunting, this eloquent novel confirms Wiley Cash ’ s place among our nation ’ s finest writers.

The Ballad of Winston the Wandering Trader, Book 7

Learn how to survive and thrive. The Ballad of St. Barbara and Other Verses

Introducing an unofficial Minecraft-fan adventure inspired by the bestselling game! What if Minecraft came into real life? What if the Minecraft characters that you know and love popped into your house?! "This is the story of how I accidentally broke Minecraft (it wasn't really my fault) and the Minecraft characters came into the world, our world, ma-freakin' planet Earth! You heard me right. Minecraft came into real life! Let me put that another way: Minecraft came into MY ROOM! When Minecraft first decided to appear in my room, things were horrible. You'd expect things to be good, but if you think about it, how do you explain to your parents your new pet pig and your new best friend, Steve? How do you explain to your parents that the reason your room is half-missing is because Steve needed to chop it down block by block so he could make a crafting table. How do you explain these things???" "Minecraft In Real Life" is an action-packed, charming novel featuring a nine-year-old girl and her friend Henry as they embark on real life adventures with Steve, from the Minecraft game. It's a fantastic story with a strong theme of overcoming bullying and being yourself no matter what anyone else thinks. Great for kids ages 7-13. Disclaimer: This book is not authorized, sponsored, endorsed or licensed by Mojang AB, Microsoft Corp. or any other person or entity owning or controlling any rights to the Minecraft name, trademarks or copyrights. Unprepared To Die

The power of race to overwhelm other ideals is conveyed in this history of N.C.'s Moravian colonists and their slaves. They worked and worshiped together for decades, until the Moravians installed blacks in a separate church.

Some Merry Adventures of Robin Hood, of Great Renown in Nottinghamshire

Unravel the mysteries of an extraordinary underwater world in this official Minecraft novel! When three kids discover a mystery in an abandoned Minecraft server, they must race against the clock to uncover its secrets. Jake Thomas is always the new kid. His family moves so much for his dad's work that it's easier to keep his head down and not get attached to anyone. He'll be gone in a few months anyway. But when they end up in Los Angeles, Dad promises this will be the last time they move. The Pacific Crest Apartments are home now . . . which means it's time for Jake to finally make friends. Jake isn't sure he should count the two kids he meets at the apartment's community center as friends, though. Tank Vuong is a large and intimidating boy who hangs with a tough crowd, and Emily Quesada is a fashionista who's quick with a sarcastic remark. But when he discovers an old computer lab in a forgotten corner of the community center, with a strange Minecraft server containing cryptic riddles, he realizes he's going to need help cracking the code-because at the end of the summer, the community center will be demolished, and all hope of solving the mystery will go with it. Following the hints left by an enigmatic figure known as The Wizard, the trio journeys into the dangerous depths of the ocean, where uncanny creatures lurk and untold treasure awaits. . . .

Nether Treasure

Baby Zeke

Minecraft fan fiction about a wandering trader and his adventures.

Dave the Villager 20

Book 2 in an ongoing unofficial Minecraft fan fiction series about a wandering trader and his adventures.

A Separate Canaan

The Ultimate Unofficial Encyclopedia for Minecrafters

"It is no very easy matter for an author to condense his own work into so small a space as one-half or one-third of its original magnitude. I have considered it better to rearrange fragmentary portions of the original story into another form of narrative, I have presented only the direct adventures of Robin Hood and of certain important members of his band. I have given a couple of chapters relating to their quarrel with the Sheriff of Nottingham; I have introduced Robin Hood to the Court at London and have brought King Richard of the Lion's Heart into the Forest of Sherwood."--Preface.

Diary of a Minecraft Bat

"She stayed for over half a century. When the failing school was closed at the end of her first year, Brown remained to carry on. With virtually no resources save her own energy and determination, she founded Palmer Memorial Institute, a private secondary school for African Americans. In the fifty years during which she led the school, Brown built Palmer up to become one of the premier academies for African American children in the nation. Of the hundreds of African American schools operating in North Carolina around 1900, only Palmer gained national renown, outlasting virtually every other such school."--BOOK JACKET.

Sorting Out the New South City

My Darling Winston is an edited collection of the personal letters between Winston Churchill and his mother, Jenny Jerome, between 1881—when Churchill was just six—and 1921, the year of Jenny ' s death. Many of these intimate letters— between two gifted writers—are published here for the first time, and the exchange of letters between mother and son has never before been published as a correspondence. A significant addition to the Churchill

canon, My Darling Winston traces Churchill ' s emotional, intellectual, and political development as confided to his primary mentor, his mother. As well as providing a basic narrative of Jenny ' s and Winston Churchill ' s lives over a forty-year period, My Darling Winston tells the story of a changing mother-son relationship, characterised at the outset by Churchill ' s emotional and practical dependence on his mother, but which is dramatically reversed as her life begins to disintegrate tragically towards its end.

Minecraft: The Shipwreck

Could a villager and a zombie ever be friends? Jeff's village has been attacked by an army of crazy zombies. His mom is missing, and he can't seem to shake off a strange zombie boy. Pirates, Privateers, and Rebel Raiders of the Carolina Coast

Jasper is a Minecraft bat who craves adventure. Most of Jasper's friends are wimpy bats who just want to eat insects and play games. Luckily, Jasper is best friends with Arnold, another brave and adventurous bat, and his exploration companion. In this diary, Jasper tells of his adventures with Arnold, how they discovered something thought to have gone extinct, and how they faced the "fearsome creature" of the Nether.

The Ballad of Winston the Wandering Trader, Book 6

One of the largest and fastest-growing cities in the South, Charlotte, North Carolina, came of age in the New South decades of the late nineteenth and early twentieth centuries, transforming itself from a rural courthouse village to the trading and financial hub of America's premier textile manufacturing region. In this book, Thomas Hanchett traces the city's spatial evolution over the course of a century, exploring the interplay of national trends and local forces that shaped Charlotte, and, by extension, other New South urban centers. Hanchett argues that racial and economic segregation are not age-old givens, but products of a decades-long process. Well after the Civil War, Charlotte's whites and blacks, workers and business owners, all lived intermingled in a "salt-and-pepper" pattern. The rise of large manufacturing enterprises in the 1880s and 1890s brought social and political upheaval, however, and the city began to sort out into a "checkerboard" of distinct neighborhoods segregated by both race and class. When urban renewal and other federal funds became available in the mid- twentieth century, local leaders used the money to complete the sorting out process, creating a "sector" pattern in which wealthy whites increasingly lived on one side of town and blacks on the other.

The Last Ballad

In 2015, Bob Dylan said, "I learned lyrics and how to write them from listening to folk songs. And I played them, and I met other people that played them, back when nobody was doing it. Sang nothing but these folk songs, and they gave me the code for everything that's fair game, that everything belongs to everyone." In *Hear My Sad Story*, Richard Polenberg describes the historical events that led to the writing of many famous American folk songs that served as touchstones for generations of American musicians, lyricists, and folklorists. Those events, which took place from the early nineteenth to the mid-twentieth centuries, often involved tragic occurrences: murders, sometimes resulting from love affairs gone wrong; desperate acts borne out of poverty and unbearable working conditions; and calamities such as railroad crashes, shipwrecks, and natural disasters. All of Polenberg's account of the songs in the book are grounded in historical fact and illuminate the social history of the times. Reading these tales of sorrow, misfortune, and regret puts us in touch with the dark but terribly familiar side of American history. On Christmas 1895 in St. Louis, an African American man named Lee Shelton, whose nickname was "Stack Lee," shot and killed William Lyons in a dispute over seventy-five cents and a hat. Shelton was sent to prison until 1911, committed another murder upon his release, and died in a prison hospital in 1912. Even during his lifetime, songs were being written about Shelton, and eventually 450 versions of his story would be recorded. As the song—you may know Shelton as Stagolee or Stagger Lee—was shared and adapted, the emotions of the time were preserved, but the fact that the songs described real people, real lives, often fell by the wayside. Polenberg returns us to the men and women who, in song, became legends. The lyrics serve as valuable historical sources, providing important information about what had happened, why, and what it all meant. More important, they reflect the character of American life and the pathos elicited by the musical memory of these common and troubled lives.
