## **The God of the Old Testament**

### **The Bible for Unbelievers**

The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. "This is a unique and precious book that everybody should read more than once." —J.I. PACKER, Regent College, Vancouver, British Columbia

### **Meditations for the Humanist**

One of Northern Europe's most popular writers, Guus Kuijer was fascinated with the Bible from an early age, but was never able to believe it, no matter how hard he tried. Now, in prose that is humorous and sometimes irreverent, Kuijer reinterprets the most popular book in the world, making it new again for the twenty-first century and for the first time rendering it accessible to "unbelievers"—that is, to people who are ready to appreciate it as something other than a

## Read Free The Bible For Unbelievers The Beginning Genesis

sacred text. The first volume of The Bible for Unbelievers tells the story of the Book of Genesis as an agnostic novel in which man's curiosity causes creation, not God alone. Kuijer explores the nagging loneliness of the universe before creation. He asks if man and woman are indeed God's handiwork or vice versa. The entire cast of characters in this Bible is imperfect, a little lawless, and at times fumbling and jealous—God included. Kuijer's afterword tells us that no story can "come to life unless the storyteller makes it his or her own." There's a charming invitation in these pages for us all to dare to revisit our founding myths and the roles we play in them. The Bible for Unbelievers is here to draw us into questions that have no answers. It does so not with fear or religiosity, but with joy.

### **The Biblical Review**

God's work in turning the age is always done through men. Before a new age is ushered in, there are always men in the previous age who are used by God particularly to turn the age. And in every age-turning work, God purposely uses young people. This book show us God's need for men who turn the age and then shows us the characteristics of such men who are used by God.

### **The Bible for Unbelievers**

A highly respected physicist demonstrates that the essential beliefs of Christianity are wholly

## Read Free The Bible For Unbelievers The Beginning Genesis

consistent with the laws of physics. Frank Tipler takes an exciting new approach to the age-old dispute about the relationship between science and religion in *The Physics of Christianity*. In reviewing centuries of writings and discussions, Tipler realized that in all the debate about science versus religion, there was no serious scientific research into central Christian claims and beliefs. So Tipler embarked on just such a scientific inquiry. *The Physics of Christianity* presents the fascinating results of his pioneering study. Tipler begins by outlining the basic concepts of physics for the lay reader and brings to light the underlying connections between physics and theology. In a compelling example, he illustrates how the God depicted by Jews and Christians, the Uncaused First Cause, is completely consistent with the Cosmological Singularity, an entity whose existence is required by physical law. His discussion of the scientific possibility of miracles provides an impressive, credible scientific foundation for many of Christianity's most astonishing claims, including the Virgin Birth, the Resurrection, and the Incarnation. He even includes specific outlines for practical experiments that can help prove the validity of the "miracles" at the heart of Christianity. Tipler's thoroughly rational approach and fully accessible style sets *The Physics of Christianity* apart from other books dealing with conflicts between science and religion. It will appeal not only to Christian readers, but also to anyone interested in an issue that triggers heated and divisive intellectual and cultural debates.

### **Popular Commentary of the Bible**

about what's in the Bible, not because you believe in any religion, but because it's the most read book in history? Before you dust off the family Bible, or reach into the hotel bed stand, *The Nonbeliever's Guide to Bible Stories* will save you a lot of time and trouble. Coupling an editor's pen with a skeptic's commentary and humorist's wit, it offers the highlights of each book of the Bible, from Genesis to Revelation, and distills them into quick, entertaining, bite-sized chunks. It's all here: the characters, famous quotes, tall tales, and references often heard in film, music, art, literature, and conversation. You'll also learn about all the sex, murder, harlotry, intrigue, magic tricks, ghosts, and sin that help fill sermons on Sunday mornings.

### **Unbelievers**

#### **How to Lead a Seeker Bible Discussion**

*In Defense of the Bible* gathers exceptional articles by accomplished scholars (Paul Copan, William A. Dembski, Mary Jo Sharp, Darrell L. Bock, etc.), addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture. The book begins by looking at philosophical and methodological challenges to the Bible—questions about whether or not it is logically possible for God to communicate verbally with human beings; what it means to say the Bible is true in response to postmodern concerns about the nature of truth; defending the clarity of Scripture against historical skepticism and relativism.

## Read Free The Bible For Unbelievers The Beginning Genesis

Contributors also explore textual and historical challenges—charges made by Muslims, Mormons, and skeptics that the Bible has been corrupted beyond repair; questions about the authorship of certain biblical books; allegations that the Bible borrows from pagan myths; the historical reliability of the Old and New Testaments. Final chapters take on ethical, scientific, and theological challenges— demonstrating the Bible’s moral integrity regarding the topics of slavery and sexism; harmonizing exegetical and theological conclusions with the findings of science; addressing accusations that the Christian canon is the result of political and theological manipulation; ultimately defending the Bible as not simply historically reliable and consistent, but in fact the Word of God.

### **Jesus: A Very Short Introduction**

Long before philosophers started making the case for atheism, powerful, affectively laden cultural currents were sowing doubt in Europe. Alec Ryrie looks to the history of the Reformation and argues that emotions—anger at priestly corruption and anxieties attending the erosion of time-honored certainties—were the handmaidens of atheism.

them. The Bible for Unbelievers is here to draw us into questions that have no answers. It does so not with fear or religiosity, but with joy.

### **The Pleasures of God**

In the year 1309, Nicholas of Lyra, an important Franciscan Bible commentator, put forth a question at the University of Paris, asking whether it was possible to prove the advent of Christ from scriptures received by the Jews. This question reflects the challenges he faced as a Christian exegete determined to value Jewish literature during an era of increasing hostility toward Jews in western Europe. Nicholas's literal commentary on the Bible became one of the most widely copied and disseminated of all medieval Bible commentaries. Jewish commentary was, as a result, more widely read in Latin Christendom than ever before, while at the same moment Jews were being pushed farther and farther to the margins of European society. His writings depict Jews as stubborn unbelievers who also held indispensable keys to understanding Christian Scripture. In *The Insight of Unbelievers*, Deena Copeland Klepper examines late medieval Christian use of the Hebrew Bible and Jewish interpretation of Scripture, focusing on Nicholas of Lyra as the most important mediator of Hebrew traditions. Klepper highlights the important impact of both Jewish literature and Jewish unbelief on Nicholas of Lyra and on Christian culture more generally. By carefully examining the place of Hebrew and rabbinic traditions in the Christian study of the Bible, *The Insight of Unbelievers* elaborates in new ways on the relationship between Christian and Jewish scholarship and polemic in late medieval Europe.

### **The Complete Topical Guide to the Bible**

## **prophetical books**

Does it take a miracle to read the Bible? God wrote a book, and its pages are full of his glory. But we cannot see his beauty on our own, with mere human eyes. In *Reading the Bible Supernaturally*, John Piper aims to show us how God works through his written Word when we pursue the natural act of reading the Bible, so that we experience his sightgiving power—a power that extends beyond the words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something miraculous happens: we are given eyes to behold the glory of the living God.

## **A compendious introduction to the study of the Bible, an analysis of 'An introduction to the critical study and knowledge of the holy Scriptures'.**

The Complete Topical Guide to the Bible provides Scripture references, definitions, and cross-references for the study of the Bible by topic. The topical approach differs significantly from the lexical approach of a concordance, and a topical guide is an essential supplement to a concordance. While a concordance is limited to the connection of biblical passages in which the same word appears, the topical approach identifies and connects all of the underlying concepts related to a topic. A concordance would not yield John 3:16 for a study of grace because the word grace does not appear in the verse, but The Complete Topical Guide to the Bible includes John 3:16 for grace because it's an essential verse on the topic. The topics in

## Read Free The Bible For Unbelievers The Beginning Genesis

this resource include biblical, doctrinal, and historical subjects, and they are organized into nine major categories: God, Jesus Christ, the Holy Spirit, creation, humanity, sin and salvation, God's people, the life of the believer, and the last things. In addition to the great themes of the biblical message, practical issues of Christian living are also included.

### **The Nonbeliever's Guide to Bible Stories**

So where are your family and friends going to spend eternity - heaven or hell? You can make the difference. I hear many Christians say, "I want to witness, but what do I say?" Many times the hardest part in witnessing is just getting started. When fear grips or they get tongue tied Christians often wonder: "How do I segue this conversation onto the Gospel track?" This is a huge problem because if a Christian does not know how to transition a conversation onto the Gospel track, then they will not be witnessing at all. This book is the solution that contains over 400 Icebreakers to help get you started. These icebreakers are friendly and easy to use and they are listed by location so that you can witness to the lost wherever you go. Many Christians wait to share the Gospel until Christmas or Easter. Many times that is too late because so many young people are killed instantly through car wrecks, drug overdoses or drive by shootings and even middle-aged people die suddenly of heart attacks or some other illness. No one ever knows when their last day on earth will be. It will stir your compassion and give you the needed courage to witness to the lost wherever you go Please be kind, use loving boldness and remember that God is love. All 400 icebreakers Icebreakers are organized in sections under headings: I Want to Witness, But What Do I Say - Around: Entertainment;

## Read Free The Bible For Unbelievers The Beginning Genesis

Financial Affairs; Food; Healthcare; Holidays and Special Times; the Great Outdoors; Shopping or Doing Errands; Sports, Work and Traveling. There is a handy INDEX in the back! Each section contains 7 to 9 different "object evangelism icebreakers." God gave the ideas for these icebreakers when He revealed to me that Jesus taught using objects in his environment in Matthew 13 using parables. Christians can witness like Jesus did through taking an object and making a comment that relates to the Gospel in some way, which makes a great transition or segue into the topic of the Gospel. For e.g.: WATER - "This water reminds me of the living water. Have you ever had any of that water?" Or DOOR - "This door reminds me of what Jesus said (John 10:9) that He is the DOOR to eternal life. Have you ever walked through that door?" Or DOWNLOAD - "Downloading this file or picture reminds me of the time I downloaded Jesus into my heart. Have you ever done that download?" SALT & PEPPER - "These salt and pepper shakers remind me of the Kingdom of Light and the Kingdom of darkness." Or BREAD - This bread reminds me of what Jesus said: "I Am the Bread of Life. He who comes to Me will never go hungry," (John 6:35). Or SUGAR - This sugar reminds me of how sweet it is to trust in Jesus. After you say the icebreaker, you LISTEN to what they say in response and then be led by the spirit in what you say next. It is a "no fail" way to witness to the lost because, even if they do not accept Jesus at that moment, the object is still there to continue to remind them of what you said long after you are gone. After you say the icebreaker, the chapter "Truth to Say to 13 False Religions" will help you even more to witness to: Atheists & Evolutionists, Buddhists, Hindus, Jehovah Witnesses, Jewish people, Mormons, Muslims, New Agers, Scientologists, Unitarian Universalists and Homosexuals and Lesbians. There is also a chapter called Prophetic Evangelism that teaches you how to witness using a word of knowledge that

God gives you to deliver a prophetic word to witness to the lost. There are several testimonies that show you, "Yes, it works!" About Rev. Susan Nazarewicz: Susan graduated from the UNC at Chapel Hill (B.A.); RHEMA Bible Training College, Victory World Missions Training Center, Church On the Move School of Ministry and Prophetic Age Ministries Institute and is ordained by John G. Lake Ministries. She works as a prayer partner at Oral Roberts Ministries at the Abundant Life Prayer Group and is a member at RHEMA Bible Church in Tulsa, OK where she sings in the choir.

### **Great Discussion on the Origin, Authority, and Tendency of the Bible**

It's easy to trust God when everything is going well. But when adversity strikes—a school shooting, a cancer diagnosis, a financial setback—do you wonder if God cares or if He's even there at all? In this 31-day devotional, author Jerry Bridges tackles the doctrine of God's sovereignty. These daily readings set the biblical foundation for the essential goodness of His character. In a clear and warm manner, Bridges explains how you can and should choose to trust God no matter what happens in life.

### **The Bible for Unbelievers**

"I wish this book had been around when I was an atheist and started to seek God. It's a no-nonsense, practical, and insightful guide that will help all those on a quest for spiritual truth. If

## Read Free The Bible For Unbelievers The Beginning Genesis

you're investigating whether there's any substance to the Christian faith, you must read this important book."--Lee Strobel, former award-winning legal editor of the Chicago Tribune and bestselling author of more than twenty books \*\*\* In our post-Christian age, the old answers for skeptics are no longer cutting it. Why? Because they largely seek to answer the wrong questions. Our world is changing, and while the gospel never changes, the way we talk about it and learn about it must. Christianity for People Who Aren't Christians answers both classic and bleeding-edge questions that skeptics have about the faith, such as - Is there a God? - Why do the life, death, and resurrection of Jesus matter? - Why is there so much suffering in the world? - Why do Christians think there is only one way to know God? - How do I reconcile the Bible's picture of Christ's followers with the actual Christians I know who have disappointed me? Covering such topics as astrophysics, social justice, and acceptance of the LGBTQ community, this one-of-a-kind book is perfect for those skeptical of Christianity and for those who love them and want to keep the line of communication open.

### **Reading the Bible Supernaturally**

### **The Physics of Christianity**

Why is justice fair? Why are so many people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions

## Read Free The Bible For Unbelievers The Beginning Genesis

takes us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today. Like C. S. Lewis did in his classic *Mere Christianity*, Wright makes the case for Christian faith from the ground up, assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular. His goal is to describe Christianity in as simple and accessible, yet hopefully attractive and exciting, a way as possible, both to say to outsiders "You might want to look at this further," and to say to insiders "You may not have quite understood this bit clearly yet."

### **31 Days toward Trusting God**

Bauckham shows that Jesus was devoted to the God of Israel, with a special focus on God's fatherly love and compassion, and like every Jewish teacher he expounded the Torah, but did so in his own distinctive way.

### **Christianity for People Who Aren't Christians**

The perfect starting point for any believer to begin a powerful journey through the Bible! No one would argue that the Bible is a large, and sometimes confusing, book! Comprised of 66 different volumes, 39 books of the Old Testament and 27 books in the New Testament, it

## Read Free The Bible For Unbelievers The Beginning Genesis

seems to be a complex assortment of history, laws, prophecy, and wisdom literature. With insights from Genesis 1-11 (the foundation), Exodus 20:1-17 (the Ten Commandments), John (the Gospel), Romans (a letter from Paul to Christians), and Revelation 21-22 (the fulfillment in heaven), Begin presents a foundational overview that you can build your Bible study around. Get excited about God's Word and find yourself wanting to know more each day!

### **The Bible and Islam**

Walter Moberly is a top Old Testament theologian known for his creative, accessible, and provocative writing. His Old Testament Theology has been well received. This book, written in a similar vein, combines biblical criticism with constructive theology and engages both Jewish and Christian interpretations. Moberly offers robust readings of eight pivotal Old Testament passages that unpack the nature of God in Christian Scripture, demonstrating a Christian approach to reading the Old Testament that holds together the priorities of both scholarship and faith.

### **I Want to Witness, But What Do I Say?**

Learn how to defend the authority and inspiration of Scripture. Writing in a problem/solution format, the authors cover every major Bible difficulty from Genesis to Revelation.

## **Simply Christian**

Meditations for the humanist is a wide-ranging magnanimous inquiry into the philosophical and ethical questions that bear most strongly on the human condition. Containing nearly fifty linked commentaries on topics ranging from love, lying, perseverance, revenge, racism, religion, history, loyalty, health, and leisure, Meditations for the humanist does not offer definitive statements but rather prompts to reflection. For those wishing to explore ethical issues outside the framework of organized religious belief, Meditations for the humanist offers an inviting map to the country of philosophical reflection.

## **A Defense of the Bible Against the Charges of Modern Infidelity**

Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers, and even Christians, are often troubled by questions about suffering, doubt, failure, and unanswered prayer. Yet careful, compassionate answers are hard to find, in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In *Hard Questions, Real Answers*, William Lane Craig doesn't offer trite phrases or pat answers—he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope—God Himself. This expanded new edition includes chapters on

abortion and homosexuality to help readers know how to think about these volatile social issues.

### **Seven Lectures on the Supernatural Origin & Divine Authority of the Bible. By J. Barker. Containing his reply to the Rev. Mr. Sergeant, etc**

Discover positive ways to approach the problem of being unequally yoked. Now there's help, truly godly help! Using the scriptural framework of love, Beloved Unbeliever shows how to love your husband into the faith. Jo Berry interviewed dozens of women who are married to unbelievers. They shared the greatest difficulties they encounter and practical ways to handle problems. You'll learn: - How to be a suitable helper - How to deal with hurts, heartaches, and hindrances - How to shoulder spiritual responsibility -- In addition, you'll find workshop questions on each chapter, so you can follow up on the chapter with individual or group study. Beloved Unbeliever will reassure you: happiness is possible in an unequally yoked situation.

### **A Compendious Introduction to the Study of the Bible**

Rebecca Manley Pippert shows you how to start and lead a seeker Bible discussion, so that you can truly make a difference in the lives of your friends, neighbors and coworkers. A Saltshaker Resource.

## **Hard Questions, Real Answers**

An angry prophet. A feared and loathsome enemy. A devastating storm. And the surprising message of a merciful God to his people. The story of Jonah is one of the most well-known parables in the Bible. It is also the most misunderstood. Many people, even those who are nonreligious, are familiar with Jonah: A rebellious prophet who defies God and is swallowed by a whale. But there's much more to Jonah's story than most of us realize. In *The Prodigal Prophet*, pastor and New York Times bestselling author Timothy Keller reveals the hidden depths within the book of Jonah. Keller makes the case that Jonah was one of the worst prophets in the entire Bible. And yet there are unmistakably clear connections between Jonah, the prodigal son, and Jesus. Jesus in fact saw himself in Jonah. How could one of the most defiant and disobedient prophets in the Bible be compared to Jesus? Jonah's journey also doesn't end when he is freed from the belly of the fish. There is an entire second half to his story--but it is left unresolved within the text of the Bible. Why does the book of Jonah end on what is essentially a cliffhanger? In these pages, Timothy Keller provides an answer to the extraordinary conclusion of this biblical parable--and shares the powerful Christian message at the heart of Jonah's story.
