Jesus is alive! So why do we follow him like he 's not? Sometime during the centuries between Jesus ' time on earth and ours, we started to believe that living vicariously through the ancient disciples was the closest we could ever get to being discipled by Jesus. But Jesus promised to never leave us or forsake us.

He is alive, and because of his great love for each of us, Jesus is ready, willing, and able to do for us what he did for the twelve. Robert Gelinas dives into the Bible to show us the Jesus of the gospels, and the Jesus who is alive and yearning to disciple each one of us today. Isn't it time we allowed ourselves to be disciplined by Jesus?

Disciple Making Is . . .

Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it. The end result is that the disciple becomes the kind of person who naturally does what Jesus did. How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship. Our doctrines of grace and salvation, in some cases, actually prevent us from creating an expectation that we are to be disciples of Jesus. A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this ground-breaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion—answering the call to follow Jesus—and discipleship—living like the one we claim to follow.

Most of us would answer 'No' when asked if we were like Jesus. How do we become more like Jesus? John Koessler believes the answer is by understanding and developing the marks of a true disciple in our lives. In *True Discipleship and the Companion Guide*, he provides a straightforward presentation of the characteristics Jesus laid out for His disciples. As he offers teaching on the practice of discipleship and the responsibility of being a disciple, readers will be stretched in their thinking and encouraged in their journey.

Discipleship

The youth ministry focus of Dietrich Bonhoeffer's life is often forgotten or overlooked, even though he did much work with young people and wrote a number of papers, sermons, and addresses about or for

the youth of the church. However, youth ministry expert Andrew Root explains that this focus is central to Bonhoeffer's story and thought. Root presents Bonhoeffer as the forefather and model of the growing theological turn in youth ministry. By linking contemporary youth workers with this epic theologian, the author shows the depth of youth ministry work and underscores its importance in the church. He also shows how Bonhoeffer's life and thought impact present-day youth ministry practice.

Bonhoeffer as Youth Worker

The Apostle Paul is one of the most important teachers in the New Testament, authoring a large portion of the New Testament. His life and letters have guided, inspired, encouraged, and challenged the church for two millennia. But what makes Paul tick? The author contends that Paul's essential genius lies in his passion to know Jesus deeply and intimately. We can get ahold of this passion by exploring Paul's life and ministry over the course of 11 lessons. The narrative of the Book of Acts forms the basis of a chronological account of his life, with biographical elements included from Paul's letters. In addition, each lesson examines one or more of Paul's passions and key teachings, and how they can impact a believer's life, values, and commitments today. Some of these include: - Salvation by grace through faith, rather than by strict observance of the Law. - The passion to proclaim Jesus despite opposition and persecution. - Being totally surrendered to Christ, in Paul's words, "Crucified with Christ." - Knowing Jesus intimately -- in a way that surpasses everything else. Initially developed as an online study, this book is ideal for personal spiritual development, use by teachers and small group leaders, and for sermon development.

Jesus Christ, Disciplemaker

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Discipleship on the Edge

Revelation is probably the most read, but least understood book of the Bible. History is replete with examples of how not to interpret it, and books featuring end-of-world prophecy claims based on Revelation consistently top the bestseller lists. But how can the message of such an enigmatic book be applied to our lives today? In *Discipleship on the Edge*, Darrell W. Johnson drives home the challenging and practical message of Revelation in thirty carefully crafted sermons. Paying careful attention to the original context of Revelation and the circumstances surrounding its composition, Johnson shows that the book is not a "crystal ball" but rather a "discipleship manual." Thoroughly researched and yet accessible, this collection of sermons is a helpful resource for pastors and small group leaders who are looking for models to help them preach and teach the message of Revelation in a time when there is much confusion about the end times. Darrell W. Johnson is Associate Professor of Pastoral Theology at Regent College in Vancouver, British Columbia, Canada. A popular conference and retreat speaker, he has also served as the preaching pastor for a number of congregations in North America and the Philippines, as well as serving as Adjunct Professor of Preaching for the Doctor of Ministry program at

Essential Guide to Becoming a Disciple

Reflecting on the practice of disciple making in young adult, college, graduate, and local church contexts, Jonathan Dodson has discerned some common pitfalls. For many, discipleship is reduced to a form of religious performance before God. For others, it devolves into spiritual license and a loose adherence to spiritual facts. Both approaches distort biblical motivations for Christian obedience and are in need of reform. By explaining various motivations for discipleship, Dodson charts a biblically faithful, grace-driven alternative. Additionally, he provides a practical model for creating gospel-centered discipleship groups—small, reproducible, missional, gender-specific groups of believers that fight for faith together. This book blends both theology and practice to inspire and equip Christians to effectively fight sin, keep Jesus central, and make gospel-centered discipleship a way of life. Both new and growing

Discipleship Counseling

Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. An “ attractional ” model will seek to attract people to a local church. Younger leaders may advocate a more “ missional ” approach, in which believers live and work among unchurched people and intentionally seek to serve like Christ. While each of these approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church ’ s God-given mandate. Devoted disciples attract people outside the church because of the change others

see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationship with non-believers. DiscipleShift walks you through five key “ shifts ” that churches must make to refocus on the biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities.

Against their better judgment, Melody and Justin find themselves drawn together by their unconventional career choices and shared love of adventure. But when an unexpected windfall provides Melody with the chance to open her dream bakery-café in Denver with her best friend, chef Rachel Bishop, she ' s faced with an impossible choice: stay and put down roots with the people and place she ' s come to call home . . . or give it all up for the man she loves.

But can she give up her lifelong goals without losing her identity as well?

Go and Make Disciples

The purpose of Go and Make Disciples! is to encourage personal spiritual growth and give vision for investing into others. God chose disciple making as His ultimate means of winning the entire world, but most believers are made into disciples as a by-product of general church ministry; they have not had someone to personally invest in them. If there is a shortcut to maturity in the kingdom of God, it is when mature, godly believers purposefully impart the Word of God to teachable men and women who want to grow in the Lord. Just as Jesus had a strategy for making disciples and developing leaders, so should we. Having a vision for making disciples means understanding the Lord's purposes in spending most of His ministry time with just twelve men. Jesus' disciples received the full explanation of His teachings and the benefit of personal friendship with Him. Because this is still the Lord's heart for those who believe in Him, we who are His true disciples must be willing to invest in others as Jesus did. We need to see that it is “ God's normal ” for us to intentionally make disciples since Jesus modeled it, commanded it, and trained His men to do it. Strategic disciple making is still the Lord's ordained method for building the

Church and preparing ministries. The Lord wants to have an equipped army ready to reap the harvest and conserve it as He again sends revival throughout the world. In the face of the persecution that will accompany the revival, it is disciplined believers who will remain faithful and endure to the end. Therefore, it is expedient that people not only find Jesus as their Messiah, but also that they yield to His lordship, mature into His likeness as His disciple, and invest their lives in discipling others. Our Master's last words should be our first priority! In all four gospels, Jesus commands His followers to evangelize and make disciples as their chief ministry among men. This is evidenced in the significance of the “ net ” used to catch fish in the Sea of Galilee in Israel. The net had a twofold purpose: to catch the fish and to keep them in the boat. Catching the fish is equivalent to evangelism and salvation, and keeping them in the boat is equivalent to discipleship and sanctification. Notice the last words of Jesus before He ascended back to Heaven as recorded in the gospels: “ Go and make disciples of all the nations... ” (Matt. 28:19). “ Go into all the world and preach the gospel to every creature ” (Mark 16:15). “ ... repentance and remission of sins should be preached in His name to all nations... ” (Luke 24:47) To Peter and to those of us who love Him, He says, “ ...feed My lambs...tend My sheep...feed My sheep ” (John 21:15-17). Reuven and Yanit Ross are international Bible teachers. American-born, they have lived in Israel and South Africa over the last three decades, and have had the additional privilege of ministering in numerous other nations. The Rosses have no natural children; they love the spiritual children that God has allowed them to invest in, many of whom are leaders today. They have authored six other books which are described on their website @ www.making-disciples.net

How were disciples of Jesus different from other disciples in the ancient world? How did the early church carry out Jesus' agenda in "making disciples of all the nations"? In *Following the Master*, Michael J. Wilkins addresses these and many other questions that perplex the church today- not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship. *Following the Master* compares other forms of master-disciple relationships in existence in the ancient Judaism and Greco-Roman world, traces Jesus' steps as he called and developed disciples, and Mediterranean world as it followed Jesus' command to make disciples. *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church, on the mission field, and in parachurch ministries. It is essential reading for all pastors, students, and Christian workers.

We grow in Christ as we seek him together. Jesus' own pattern of disciple-making was to be intimately involved with others. Working through it will deepen your knowledge of essential Christian teaching and strengthen your faith.

The Disciple-Making Church

Thomas doubted. Peter denied. Matthew had a shady past. And most of Jesus' disciples had trouble understanding his true message and mission at times. How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived? And how can modern church leaders empower regular church members to meet their potential as servants of God? In *Jesus Christ, Disciplemaker*, Hull outlines Christ's methods in training his twelve disciples and presents a biblical pattern that emulates Christ's model for reaching the lost. By taking readers through four growth phases—evangelizing, establishing, equipping, and leading—Hull shows how these principles can be adapted for any discipler. *Jesus Christ, Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service.

The Big Book of Discipleship Basics

Peter was a man "subject to like passions as we are." His life is a study in contrasts -- resolutely defending the Lord one moment, vehemently denying Him the next. But despite Peter's inconsistencies, Christ molded him into one of the godliest disciples who ever lived. In this study of discipleship, Ken Frederick draws relevant truths from the life of Peter to help us understand how to disciple other Christians. Although we will never walk on water, we will all experience the same type of struggles, victories, and "growing pains" in the Christian life. This book offers practical advice on how to disciple fellow brothers and sisters in Christ. - Back cover.

Organic Discipleship

"Every believer in Jesus Christ deserves the opportunity of personal nurture and development." says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple, practical, and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders "True growth takes time and tears and love and patience," Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in

Christ commanded the church to make disciples, to produce people who love and obey God, bear fruit, and live with joy. The crisis at the heart of the church is that we often pay lip service to making disciples, but we seldom put much effort behind doing it. For the pastor who is ready to put words into action, *The Disciple-Making Pastor* offers the inspiration and practical know-how to do so. Bill Hull shows pastors the obstacles they will face, what disciples really look like, the pastor's role in producing them, and the practices that lead to positive change. He also offers a six-step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church.

The Adventure of Discipleship

Deep Discipleship

Jesus tells us that to be his disciple we must surrender everything and, with his grace, brave the path provided for us by God. Such a sojourn will surely be marked by joy, suffering, uncertainty, and—above all—adventure. Accordingly, *The Adventure of Discipleship* presents the Gospel through the lens of great adventure stories—from J.R.R. Tolkien's *The Lord of the Rings* and C.S. Lewis's *Chronicles of Narnia* to popular adventure movies, comic book superheroes, and TV series. While these stories we create and read and retell are but reflections and refractions of the great adventure of discipleship, they provide us with genuine insight into life with Christ. Author Daniel Keating shows why we must respond to the call of discipleship with venturesome faith, as many great saints have before us. Along the way of discipleship, we come to understand the cost of following Jesus, the importance of hope in light of setbacks, and the gift of true friendship in this great adventure.
