The Gospel According to Matthew

The Life of Jesus Christ

The Unknown Life of Jesus Christ

The Vita Christi of Ludolph of Saxony, fourteenth-century Carthusian, is the most comprehensive series of meditations on the life of Christ from the late Middle Ages. Ludolph assembles a wealth of commentary from the fathers of the church and the great medieval spiritual writers and weaves them into a seamless exposition of the Gospel. This is the full English translation of this classic work and, while it will be of great interest to students of Christian spirituality, it is intended for ordinary believers seeking to enter more deeply into the meaning of the life of Christ. Ludolph divided his work into two parts; the present volume contains the second half of Part One.

The Gospel in Brief

#1 NEW YORK TIMES BESTSELLER • A meticulously researched biography that challenges long-held assumptions about Jesus, from the host of CNN's Believer NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Good Housekeeping • Booklist • Publishers Weekly • Bookish Two thousand years ago, an itinerant Jewish preacher and miracle worker walked across the Galilee, gathering followers to establish what he called the "Kingdom of God." The revolutionary movement he launched was so threatening to the established order that he was captured, tortured, and executed as a state criminal. Within decades after his shameful death, his followers would call him God. Sifting through centuries of mythmaking, Reza Aslan sheds new light on one of history's most influential and enigmatic characters by examining Jesus through the lens of the tumultuous era in which he lived: first-century

Palestine, an age awash in apocalyptic fervor. Scores of Jewish prophets, preachers, and would-be messiahs wandered through the Holy Land, bearing messages from God. This was the age of zealotry—a fervent nationalism that made resistance to the Roman occupation a sacred duty incumbent on all Jews. And few figures better exemplified this principle than the charismatic Galilean who defied both the imperial authorities and their allies in the Jewish religious hierarchy. Balancing the Jesus of the Gospels against the historical sources, Aslan describes a man full of conviction and passion, yet rife with contradiction; a man of peace who exhorted his followers to arm themselves with swords; an exorcist and faith healer who urged his disciples to keep his identity a secret; and ultimately the seditious “King of the Jews” whose promise of liberation from Rome went unfulfilled in his brief lifetime. Aslan explores the reasons why the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary. And he grapples with the riddle of how Jesus understood himself, the mystery that is at the heart of all subsequent claims about his divinity. Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus of Nazareth’s life and mission. The result is a thought-provoking, elegantly written biography with the pulse of a fast-paced novel: a singularly brilliant portrait of a man, a time, and the birth of a religion. Praise for Zealot “Riveting . . . Aslan synthesizes Scripture and scholarship to create an original account.”—The New Yorker “A lucid, intelligent page-turner.”—Los Angeles Times “Fascinatingly and convincingly drawn . . . Aslan may come as close as one can to respecting those who revere Jesus as the peace-loving, turn-the-other-cheek, true son of God depicted in modern Christianity, even as he knocks down that image.”—The Seattle Times “[Aslan’s] literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops. . . . A vivid, persuasive portrait.”—Salon “This tough-minded, deeply political book does full justice to the real Jesus, and honors

him in the process.”—San Francisco Chronicle

A Shorter Life of Christ

In the New Testament, Jesus reassures the Apostles before he ascends to heaven by saying, “You will receive power when the Holy Spirit comes upon you, and you will be my witnesses to the ends of the earth.” What of this Spirit? In what way was that Spirit manifested in Jesus' ministry on earth? What does it offer us? And ask of us? These reflections by the preacher to the papal household coalesce biblical and doctrinal thought on the gifts conferred by anointing in the Spirit—kingly, prophetic, and priestly—onto Christ and through Christ to the Church. As one well accustomed to illuminating the Word to his audience, Father Cantalamessa bestows on readers an understanding of the Holy Spirit that is both practical and profound. This slim volume contains rich meditations on the meaning and role of the Spirit as portrayed in the New Testament, particularly the Gospels. The Bible Today

The Life of Jesus Christ

The life of Jesus Christ, arranged from the Gospels into one narrative, with notes by T.B. Johnstone

The discovery of the so-called Nag Hammadi Library rocked the world. Among the texts discovered in

1945 were some Gospels that modern eyes had never seen. Since then, studies regarding the life and teaching of Jesus of Nazareth have made significant advances. As this new light was cast on one of history's most influential figures (if not the most influential), a dark cloud of doubt moved in almost simultaneously. Had the Gospels of Matthew, Mark, Luke, and John reflected the real Jesus, or was this new attention on the "hidden" Gospels about to unveil the "hidden life" of the Revealer? The canonical Gospels say very little about the early years of Jesus' life. In fact, Mark and John say nothing. The so-called apocryphal Gospels, on the other hand, say a whole lot. After an analysis of the first two chapters of Matthew and Luke (Part 1), the information found in the so-called apocryphal Gospels is synthesized in story form (Part 2). What should we think of this hidden life? In the end, the reader must decide. But this hidden life is hidden no longer. Of course, that all depends on whether the events they describe actually happened.

TIME-LIFE The Life of Jesus

David Friedrich Strauss's *Das Leben Jesu kritisch bearbeitet* (1835) brought about a new dawn in Biblical criticism by applying the 'myth theory' to the life of Jesus. Strauss treated the Gospel narrative like any other historical work, and denied all supernatural elements in the Gospels. *Das Leben Jesu* created an overnight sensation and Strauss became embroiled in fierce controversy. This earliest English version of 1846 was translated by the novelist George Eliot, and was her first published book.

Life of Jesus in Chronological Order

Jesus the Messiah

The Life of Jesus Christ on Earth

Living into the Life of Jesus

Widely proclaimed a classic work of Christian faith, Life of Christ has been hailed as the most eloquent of Fulton J. Sheen's many books. The fruit of many years of reflection, prayer, and research, it is a dramatic and moving recounting of the birth, life, Crucifixion, and Resurrection of Christ, and a passionate portrait of the God-Man, the teacher, the healer, and, most of all, the Savior, whose promise has sustained humanity for two millenia. With his customary insight and reverence, Sheen interprets the Scripture and describes Christ not only in historical perspective but also in exciting and contemporary terms -- seeing in Christ's life both modern parallels and timeless lessons. His thoughtful, probing analysis provides new insight into well-known Gospel events. An appealing blend of philosophy, history, and biblical exegesis, from the best-known and most-loved American Catholic leader of the twentieth century, Life of Christ has long been a source of inspiration and guidance. For those seeking to better understand the message of Jesus Christ, this vivid retelling of the greatest story ever lived is a must-read.

The Holy Spirit in the Life of Jesus

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

The Life of Jesus

Events of the life of Jesus retold from the Gospels of the New Testament-- Matthew, Mark, Luke, and John. Sources used were the Holy Bible in the King James version and the Revised Standard version.

The Jefferson Bible

This 13 chapter book follows the events of Jesus' life in chronological order. There are 154 individual events and each is given in order with appropriate Scriptural references in each gospel as well as

background information for every event.

The Life of Jesus

R.T. France's study of Matthew's Gospel is a contribution to the Tyndale New Testament Commentaries, a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means, without undue recourse to scholarly technicalities.

The Life of Jesus

Presents a revelatory examination of the life of Christ as told in the Gospel of Mark, inviting readers to review their personal relationships with God with a greater understanding of historical events.

Life of Jesus

Over six thousand years ago in the regions of the third heaven, a Triune council of the Holies, the Father, Son and Holy Spirit, brought about the creation of heaven and earth and all that was created in the six days as we have record of written in the Word of God. In the likeness of the Triune God was man created, being formed from the dust of the ground. God breathed into his nostrils the breath of life and man became a living soul. God planted a garden eastward in Eden and there he put the man whom he had formed. I have not the pen or vocabulary to describe the pristine beauty that this garden entailed

prior to the first footprint impressed upon this sacred garden. Then God said. "it is not good that man should be alone", and He made a help meet for him, so the first parents perfect environment of no sin, no decay; a paradise for eyes to behold. But alas, sin entered and Adam and Eve were put out of the garden and we have the fall of mankind; the fall of no hope. It had become certain that death would reign and only the Triune God had made plans for the redemption of mankind, all knowing that man would sin and fall victim to sin and that redemption plan was already decided beforehand in the regions of the third heaven long before man was created. The redemption plan was provided to come into the world as the Son of God, the hypostatic union, meaning Christ's humanity and divinity in one hypostasis, or individual existence, being born by a miraculous entry into the world. We will never understand how God and man could unite in one person. The deep things and mysteries of God are far beyond our horizon. Although He was in the likeness of men, that refers to the human nature. He was sinless and He appeared as man in looks and dress but was unlike the natural man in that sin was not an integral part in his unfallen human nature. He had to become man in order to die on the cross for you and me. But He did not diminish the Person. The two natures in Christ are not fused together, they remain distinct and different. Let me say He did not give up Deity or the use of His attributes of Deity. Read Isaiah 53:12. He poured out His soul unto death. None of Christ's divine attributes were relinquished. However, He obscured His majestic glory while embodied by the earthly body. Recorded in the four Gospels is what we have of the life of Christ on this earth. There is no complete biography that could ever be written of the life of Christ on the earth because there are so many details not given. The four Gospels give its own emphasis of how they described the works and life of Christ. The false teachings of cults and critics and evolutionary of man becoming gods is not what our Bible says; it is opposite the false teachings. The Bible says God became man, who was Jesus Christ, both man and God.

The life of Jesus Christ in its historical connexion and historical development, tr. by J. M'Clintock and C.E. Blumenthal

Many biographies of Christ's life have been published through the years, but most have lasted only a short time. This volume, first printed in 1880, continues to be in demand. The Life of Jesus Christ is known in every English-speaking country and has been translated into many foreign languages. The reasons for its continued success are not hard to find. The details of Christ's life are presented in a clear and flowing style and are molded into an easily comprehended whole. Doctrinally sound, vivid in detail, as authentic as study and research can make it, this work will long hold the place it won when first written by this noted Scottish theologian. Chapter titles are: - The Birth, Infancy, and Youth of Jesus - The Nation and the Time - The Final Stages of His Preparation - The Year of Obscurity - The Year of Public Favor - The Year of Opposition - The End Hints for Teachers and Questions for Pupils conclude this work.

The life of Jesus

The Story Of Jesus is Ellen Gould White's adaptation of her own work Christ Our Saviour for a children's audience. This beautiful narrative of Jesus' life on earth was prepared by the author's son while he was working with mostly illiterate slaves in the South of the United States. It is wonderful to read and tell, even for persons with a limited vocabulary. Some of the chapters are: Chapter 1 - The Birth of Jesus Chapter 2 - Jesus Presented in the Temple Chapter 3 - The Visit of the Wise Men Chapter 4 - The Flight

Into Egypt Chapter 5 - Child Life of Jesus Chapter 6 - Days of Conflict Chapter 7 - The Baptism Chapter 8 - The Temptation Chapter 9 - Early Ministry Chapter 10 - Teachings of Christ Chapter 11 - Sabbathkeeping Chapter 12 - The Good Shepherd Chapter 13 - Riding Into Jerusalem Chapter 14 - "Take These Things Hence" Chapter 15 - At the Passover Supper and much more

Living As Jesus Lived

Life of Jesus

Translated By Richard A. Schuchert; My book called A Life of Jesus may cause surprise for American readers when they discover an interpretation of Jesus somewhat at odds with the image they now possess.

The Life of Jesus

The Hidden Life of Jesus

Bringing a unique perspective on the life of Jesus, the renowned psychic and best-selling author of Insight shares her vision of the birth, youth, travels, ministry, miracles, crucifixion, death, and

resurrection of Christ, answering questions about such controversies as virgin birth, the Star of Bethlehem, a Jesus lineage, and more. Reprint.

The Life of Jesus Christ

The greatest novelist of all time retells the greatest story ever told, the life of Jesus Christ, in *The Gospel in Brief*—Leo Tolstoy’s riveting, novelistic integration of the four Gospels into a single, twelve-chapter narrative. Virtually unknown to English readers until now, Dustin Condren’s groundbreaking translation from the Russian opens a precious new world of Tolstoy’s masterful literary talent to fans of *War and Peace* and *Anna Karenina*.

The Life of Jesus for Today

Deriving insights from the life of Jesus in the Gospels, Klaus Issler uncovers the dynamics involved in truly becoming more Christlike. He shows how you can forge much deeper connections with Jesus. The result is a closer alignment between what you want to do as a follower of Jesus, what you actually do and who you are becoming in him.

A Life of Jesus

Zealot

The Story Of Jesus

The Vita Christi of the fourteenth century Carthusian, Ludolph of Saxony, is the most comprehensive series of meditations on the life of Christ of the late Middle Ages. Ludolph assembles a wealth of commentary from the fathers of the church and the great medieval spiritual writers and weaves them into a seamless exposition on the Gospel. This is the first English translation of this classic work, and it also is the first edition in any language to identify the thousands of sources used by Ludolph, both those he quotes and the many he cites without attribution. It will be of great interest to students of Christian spirituality, but it is intended, as was the original text, for ordinary believers seeking to enter more deeply into the meaning of the life of Christ. When complete, there will be 4 volumes.

Life of Christ

In this accessible introduction to Jesus Christ, Robert Stein draws together the results of a career of research and writing on Jesus and the Gospels. Now in paperback, this classic textbook is clearly written, ably argued, and geared to the needs of students, giving probing minds a sure grounding in the life and ministry of Jesus.

The Life of Jesus, the Christ

Jesus the King

The Life of Jesus, Critically Examined

From his early years, his teachings and miracles, to his death, burial, and resurrection, TIME-LIFE explores the life of Jesus.

A New Life of Jesus

The Life of Jesus Christ

Join historian John Dickson on this journey through the life of Jesus. This book, which features a self-contained discussion guide for use with Life of Jesus DVD, will help you and your friends, whether believing or skeptical, to dig deeper into what is known about Jesus life and why it matters."

The Life of Jesus

The Life of Jesus in Masterpieces of Art

This is a concise but comprehensive survey of Christ's life. Chapters include: The Background to the Life of Jesus, Various approaches to the Life of Jesus, Literary Sources for the Life of Jesus, The Early Life and Ministry of Jesus Christ, The Galilean Ministry, The Closing Period, The Teaching of Jesus, The Miracles of Jesus, and Jesus Christ in Early Christian Thought. The outstanding value of this work rests in its easy-to-read style and its completely inclusive content. Also of importance is the analysis of the problems surrounding the historicity of Jesus the man. This is a helpful overview of the God-man for all students.

The Mystical Life of Jesus

Meditations on the Life of Christ

The Life of Jesus, Critically Examined was one of the most controversial and hotly contested books of its time. One reviewer stated that it was "the most pestilential book ever vomited out of the jaws of hell." Strauss rejected the idea of miracles in the Bible, instead crediting them as mythical stories used to demonstrate a point. He also discredits Jesus's divinity, dissecting the New Testament and pointing out that Jesus was simply a manifestation of who the Jews wished their Messiah to be. The book was

Free Copy PDF The Life Of Jesus

translated from its fourth German edition in 1843 by George Eliot. David Friedrich Strauss (1808-1874) was a German theologian and author who focused his work on the critical study and examination of Jesus. Strauss' most famous and acclaimed work was *The Life of Jesus, Critically Examined*, but he wrote many other books defending his position on the divinity of Jesus, which he denied. While his position was hotly debated and highly unpopular at the time, his work has had a great impact on the study of Christianity, the New Testament, and early religions today.
