The Witches

In a world divided by colonialism and threaded with magic, a desperate orphan turned pirate and a rebellious imperial lady find a connection on the high seas. Aboard the pirate ship Dove, Flora the girl takes on the identity of Florian the man to earn the respect and protection of the crew. For Flora, former starving urchin, the brutal life of a pirate is about survival: don't trust, don't stick out, and don't feel. But on this voyage, Flora is drawn to the Lady Evelyn Hasegawa, who is headed to an arranged marriage she dreads. Flora doesn't expect to be taken under Evelyn's wing, and Evelyn doesn't expect to find such a deep bond with the pirate Florian. Neither expects to fall in love. Soon the unlikely pair set in motion a wild escape that will free a captured mermaid (coveted for her blood) and involve the mysterious Pirate Supreme, an opportunistic witch, double agents, and the all-encompassing Sea herself. Deftly entwining swashbuckling action and quiet magic, Maggie Tokuda-Hall's inventive debut novel conjures a diverse cast of characters seeking mastery over their fates while searching for answers to big questions about identity, power, and love.

Witch's Master Grimoire

A bewitching tale showcasing the timeless lesson that a good deed always triumphs over a bad one, even at Miss Mildred Mildew's School of Magic! Whatever you chant, Whatever you brew, Sooner or later Comes back to you! Alice and Greta attended the same school of magic, but they each have their own ideas about how to put their skills to the best use. Alice spends her days waving her wand to cast splendid spells. Greta only uses hers to stir up trouble. When their wands and witching styles clash, it turns out Greta should have paid more attention to those early magic lessons. An enchanting tale of two very different fates.

The King in Yellow

A romantic interpretation of French country style in a California cottage. With beautiful photography and a tale about a little forgotten house that could, Courtney shares the story of her renovation of a 1940s cottage in the California countryside. An abandoned vacation house, set in the center of rolling fields and trees becomes the cottage home of her dreams . . . a French country style cottage filled with original elements and an exquisite mix of rustic and refined. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has been shared on her popular blog French Country Cottage, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her greenhouse and garden, and an abundance of entertaining

and holiday decorating style. Blurring the lines between indoor and outdoors and embracing well worn as well loved, French Country Cottage is a style that celebrates simplicity, indulges in romance, cherishes pieces with history and believes a chandelier and fresh flowers belong in every room. A freelance photographer and author of the blog French Country Cottage, Courtney also works as an editor, brand ambassador and designer. She has a floral collection with Balsam Hill and with several licensed collections launching in 2018 and 2019, Courtney's product lines will join her long list of creative accomplishments. Her photography and home has been featured in magazines in the US and Europe including several cover shots. Courtney is a mother of three and lives in her vintage cottage in the California countryside with her husband and adopted dog Sweet Pea; you can often find her with camera in hand capturing a whimsical moment.

The Heart of a Witch

Classic horror films such as Dracula, Frankenstein and The Picture of Dorian Gray are based on famous novels. Less well known—even to avid horror fans—are the many other memorable films based on literary works. Beginning in the silent era and continuing to the present, numerous horror films found their inspiration in novels, novellas, short stories and poems, though many of these written works are long forgotten. This book examines 43 works of literature—from the famous to the obscure—that provided the basis for 62 horror films. Both the written works and the films are analyzed critically, with an emphasis on the symbiosis between the two. Background on the authors and their writings is provided.

How to Spot a Witch

We are witnessing a new surge of interpersonal and institutional violence against women,

including new witch hunts. This surge of violence has occurred alongside an expansion of capitalist social relation. In this new work that revisits some of the main themes of *Caliban and the Witch*, Silvia Federici examines the root causes of these developments and outlines the consequences for the women affected and their communities. She argues, that no less than the witch hunts in sixteenth- and seventeenth-century Europe and the "New World," this new war on women is a structural element of the new forms of capitalist accumulation. These processes are founded on the destruction of people's most basic means of reproduction. Like at the dawn of capitalism, what we discover behind today's violence against women are processes of enclosure, land dispossession, and the remolding of women's reproductive activities and subjectivity. As well as an investigation into the causes of this new violence, the book is also a feminist call to arms. Federici's work provides new ways of understanding the methods in which women are resisting victimization and offers a powerful reminder that reconstructing the memory of the past is crucial for the struggles of the present.

It is helpful learning how to "cast a circle" before any spells, rituals or workings of any kind. You need 1) salt, 2) concentration, 3) Full Moon Steps: On a full moon, bring your salt outside, start by the front door. Move in a clockwise motion, from your front door around your house, while you sprinkle salt around the perimeter of your home. Remember not to pour salt on plants and grass. While you are doing this, say out loud In the time, on this hour I fill this salt with ancient power, With this salt a circle is made, To protect all within both night and day. No evil shall pass, no spirit shall see All whose in this circle. So mote it be!

Wicked

The Pulitzer Prize-winning author of *Cleopatra*, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, *THE WITCHES* is Stacy Schiff's account of this fantastical story—the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of

Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

The Paper Hat Book

The witch as a cultural archetype has existed in some form since the beginning of recorded history. Her nature had changed through technological developments and sociocultural shifts--a transformation most evident in her depictions on screen. This book traces the figure of the witch through American cinematic history with an analysis of the entertainment industry's shifting boundaries concerning expressions of femininity. Focusing on films and television series from *The Wizard of Oz* to *The Craft*, the author looks at how the witch reflects alterations of gender roles, religion, the modern practice of witchcraft, and female agency.

the witch doesn't burn in this one

A tale of vengeance, true love, and cannibalism Being born undead can have its disadvantages, such as eternal youth and flawless beauty ---things most unsuitable for a witch.

Hiding behind the guise of a grimy old crone, the witch is content living outside Fort Stalwart with her unlikely band of allies: a troll named Gwurm, an enchanted broom, and a demonic duck named Newt. She leads a simple life filled with spells, potions, and the occasional curse. So when a White Knight arrives at Fort Stalwart, the witch knows her days of peace are at an end. The Knight is just days in front of a horde of ravenous goblins, and Fort Stalwart lies right in the horde's path. But the goblins are just the first wave of danger, and soon the witch and the Knight must combine forces on a perilous quest to stop a mad sorcerer from destroying the world. Filled with menace, monsters, and magic, *A Nameless Witch* is a properly witchy read by the award-winning author of *Gil's All Fright Diner* and *In the Company of Ogres*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Adrienne Barbeau starred in this fictional backstage account of Judy's final concert appearance. With her wicked wit, Judy dishes the dirt on her co-stars, ex-husbands, Mr. Mayer, and more- taking us down the rocky yellow brick road of her incredible life. An amazing tour-de-force.

Everyday Witch Tarot

This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller *Wicked* views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, *Wicked* offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as

Maguire tells us, wasn't nearly as Wicked as we imagined.

Zip! Zoom! On a Broom

Seated in a Paris cafe, a man glimpses another man, a shadowy figure hurrying to the train. Who is he? he wonders, and how does he live? Instantly the shadow comes to life, precipitating a series of hilarious encounters involving a range of disreputable and heartwarming characters that prove as incredible as "real life."

Witch Grass

One goes zip, two go zoom. Three witches glide from room to room. So begins this witchy counting story. Counting up from 1 to 10 and back down again, ten witches jump on a broom--and then fall off one by one! Written in pitch-perfect rhyme, and full of fun read-aloud energy that will have kids memorizing lines and clamoring to read the book again and again, this book hits the mash-up sweet spot between an important concept and Halloween fun!
